work He returned to Germany where he co authored directed and starred in the film *Der Verlorene* *The Lost One* in 1951 German audiences rejected Lorre s dark vision of their recent past and the actor returned to America wearily accepting roles that parodied his sinister movie personality The first biography of this major actor *The Lost One A Life of Peter Lorre* draws upon more than three hundred interviews including conversations with directors Fritz Lang Alfred Hitchcock Billy Wilder John Huston Frank Capra and Rouben Mamoulian who speak candidly about Lorre both the man and the actor Author Stephen D Youngkin examines for the first time Lorre s pivotal relationship with German dramatist Bertolt Brecht his experience as an migr from Hitler s Germany his battle with drug addiction and his struggle with the choice between celebrity and intellectual respectability Separating the enigmatic person from the persona long associated with one of classic Hollywood s most recognizable faces *The Lost One* is the definitive account of a life triumphant and yet tragically riddled with many failed possibilities
