on the subject are mostly written by scholars with little or no formal training in literary analysis and even less training in political economy Witt and Richards bring to The Hobbit Party a combined expertise in literary studies political theory economics philosophy and theology *CIM Coursebook 06/07 Marketing in Practice* Tony Curtis, 2007-07-11 Elsevier Butterworth Heinemann's 2006 2007 Official CIM Coursebook series offers you the complete package for exam success Comprising fully updated Coursebook texts that are revised annually and independently reviewed The only coursebooks recommended by CIM include free online access to the MarketingOnline learning interface offering everything you need to study for your CIM qualification Carefully structured to link directly to the CIM syllabus this Coursebook is user friendly interactive and relevant Each Coursebook is accompanied by access to MARKETINGONLINE www.marketingonline.co.uk a unique online learning resource designed specifically for CIM students where you can Annotate customise and create personally tailored notes using the electronic version of the Coursebook Search the Coursebook online for easy access to definitions and key concepts Access the glossary for a comprehensive list of marketing terms and their meanings
