doesn't explain most tested subjects past exams or recent changes to the Guide. It's got the law and notary rules but it's missing essentials for any such textbook. This book has all that and much more that anyone contemplating the exam should read. It even includes crucial information about notary practice for the newbie notary and is useful to experienced notaries for its expanded cross references, complete index and summary lists. Basically it's the rest of the official Study Guide they somehow omitted. Why would they leave out the index of all things? Reminder: a 20% pass rate.

[Louisiana Notary Exam Sample Questions and Answers 2021](#) Steven Alan Childress, 2021-01-25. Questions and answers in four separate tests plus detailed explanations for each right and wrong answer keyed to the page of the latest official Study Guide help coach students for the difficult exam. This unofficial resource at last takes notary prep to the next level by revealing the tricks of questions and formats, tactics for the test and the law behind it. Louisiana civil law notaries have unmatched functions, responsibilities and opportunities but the exam has a 20% pass rate. Candidates need all the help they can get. The best prep classes and study groups recommend multiple practice questions to understand the format, content and coverage of the actual exams the Secretary of State administers each year. Yet even the best workbooks and study aids are costly but barebones in the answers they provide. Their questions help but students are left matching answers to page numbers. There's no guidance on why they're right and even less about why other good options aren't best. This book fills that void with 130 questions and detailed clarifications plus tactics illustrated by specific formats and options. Explanations are keyed in detail to the 2021 Study Guide, usable on any 2021 exam. Professor Childress, author of a bestselling supplemental book decoding the state study guide and teacher of Tulane's academic course in notary law, explains every twist he can think of that the examiners may try. Whether as a recommended supplement to a prep class, as spelled-out lagniappe to available workbooks or as a new tool for self study, this book should become standard fare for anyone contemplating becoming a commissioned notary. An affordable addition to the Self Study Sherpa Series from Quid Pro Books.

*Louisiana Notary Exam Sidepiece to the 2024 Study Guide* Steven Alan Childress, 2024-01-30. NEW 2024 EDITION of the best selling notary prep guide to the challenging Louisiana exam. The Louisiana Notary Exam averages a 20% pass rate. The Notary Exam has an official Study Guide you use during the exam. But the Study Guide has no index, no big picture, no study strategies, no exam day tips, not enough cross references and few of the forms notaries use that they test. It's notoriously hard to follow. It doesn't explain most tested subjects, past exams or recent changes. It's got the law and notary rules but it's missing essentials for any such textbook. The Sidepiece has all that and much more that anyone contemplating the exam should read. It even includes crucial information about notary practice for the newbie notary and is useful to experienced notaries for its expanded cross references, complete index and summary lists. Basically it's the rest of the official Study Guide they somehow omitted. Why would they leave out the index of all things? Reminder: a 20% pass rate. Previous editions of this resource earned 200 5 star ratings and comments that it's essential and invaluable to passing the exam, whether or not you take a prep class too. Read
