

LOVE AFTER LOVE

by Derek Walcott

The time will come
when, with elation
you will greet yourself arriving
at your own door, in your own mirror
and each will smile at the other's welcome,

and say, sit here. Eat.
You will love again the stranger who was your self.
Give wine. Give bread. Give back your heart
to itself, to the stranger who has loved you

all your life, whom you ignored
for another, who knows you by heart.
Take down the love-letters from the bookshelf,

the photographs, the desperate notes,
peel your own image from the mirror.
Sit. Feast on your life.

Love And Loss A Poetic View:

Propertius: A Hellenistic Poet on Love and Death Theodore D. Papanghelis, 1987-05-28 The bond between love and death has long been recognised as a defining characteristic of the elegies of Propertius but scholars have rarely clarified how or to what degree Propertius differed from other love poets in associating these themes In this book Dr Papanghelis traces the radical way in which Propertius dealt with amorous and morbid fantasies in his poems He argues that the modes of erotic expression used in the elegies are fundamentally unconventional to the point that the definitions of love and death are interdependent This book offers a detailed reading of some of the most stimulating and problematic of Propertius elegies offering fresh insight on the question of the poet's sensuous temperament and the significance of the love death relationship in his works *Poems of Life, Love and Loss* Donna M. Haney, 2011-10-20 There is joy and sorrow contained in these poems There is also a deep expression of love for a wonderful husband and father

Of Love and Loss Tom McAlindon, 2022-02-24 A study of the poetry of Hardy Yeats and Larkin in relation to their shared preoccupation with time change and loss the most ancient and fertile theme in lyric and reflective verse known to earlier English poets as mutability Though the importance of the socio political and ideological context is in every case acknowledged the literary history context is viewed as primary hence the introductory survey of foundational Renaissance and Romantic poets with whose work Hardy Yeats and Larkin were thoroughly familiar Although a preoccupation with the subject of time and change in the work of these three poets is a critical commonplace no one has ever isolated it for special attention or used it to link them either together or with their historical predecessors This is an entirely new approach to their work The critical methodology employed is evidential and analytical rather than theoretical focussed throughout on the meaning and the mood of each poem and the distinctive individuality of each poet The Variorum Edition of the Poetry of John Donne, Volume 7, Part 1 John

It is a worthy addition to Scherr's previous literary cultural studies. D. H. Lawrence Today and D. H. Lawrence's Response to Plato. A supremely lively incisive lucid and profound critique. Backwoods: A Collection of Rural Poetry of Love, Truth, Life and Death , What Is It Then between Us? Eric Murphy Selinger, 2018-10-18 Tracing the solitude of the American self the difference between idolatrous and companionate affection and the dream of an America of love Eric Murphy Selinger shows how such concerns can shape a poet's most intimate decisions about genre and form His lucid elegant prose illuminates not only well known love poets including Emily Dickinson and William Carlos Williams but also more unexpected figures notably Wallace Stevens and Mina Loy Like the poets he discusses Selinger refuses to view love reductively Rather he takes the impulse to debunk love as part of his subject whether it crops up in Puritan theology or contemporary literary theory As he details Whitman's courtship of his readers weighs the restorations of romance in H D and Ezra Pound and demonstrates the bonds between poets as disparate as Robert Creeley and Robert Lowell Selinger establishes love poetry as an essential American genre
