

My Ideal Vacation

Hello, everyone. I'd like to tell you about my ideal vacation. To make my vacation perfect, certain important things need to be taken into consideration. These things include who I spend my vacation with, where I want to go, what I want to do, and the sort of weather the place has. It can be an ideal vacation when all these things are met. First of all, I like to spend my vacation with people I love and I feel comfortable with. They could be my family, friends or even my future boy friend.

Secondly, I love traveling to other countries. I love visiting new places because I can experience different cultures and meet different people who I wouldn't normally get to meet. When I go abroad, I really get the feeling that I'm living in a big world and that all my worries are so small and pointless. It would be great to go to a country I have never been to before. I've heard from many people who've been to Europe that Barcelona was the best place they'd ever visited. Barcelona is a city that has beautiful beaches and is known for having sunny and clear weather, so if I had a chance of going to any country I wanted to, I'd choose Barcelona as my ideal vacation location.

On my vacation, I'd like to relax on a beautiful blue beach. I want to sunbathe and get a tan, too. Most people think of this sort image in their heads when they come up with their idea of an ideal vacation, and I agree with them. I know it's because the media influences people's ideas. But, I've always wanted to experience a vacation like that at least once in my life.

So, taking all things into consideration, I'd want to go to Barcelona with the people I love, and visit many famous tourist spots and enjoy being in the sun and getting a tan on beautiful beaches. After having fun on the beach, I'd like to eat delicious Spanish food for dinner.

That's what comes to mind when I think of my ideal vacation. The only trouble is, this vacation is unlikely to happen right now because it would cost a great deal of money and I can't afford it. It'd be possible once I become very successful and have more money, though! I hope I can have my ideal vacation soon! Thank you for listening to my speech.
