The Zodiac Killer Cover-Up Lyndon E. Lafferty, 2012-02-08 The true identity of the psychotic ZODIAC killer has been known by the Mandamus Seven group of retired law enforcement officers federal agents a minister and a District Attorney since March 15 1971 This true story is now being told for the very first time Official corruption and political intervention forced the investigation into a top secret covert status giving the insane ZODIAC killer immunity and a license to kill His motive adultery Mind and body ravaged by years of severe alcoholism his blood lust revenge turned him into the most shocking and vicious killer in our 20th century Through his tauntings of the police his codes ciphers and letters he was on a mission to redeem his shattered ego to prove that he was better smarter and more clever than all the judges and police put together With lordly arrogance and jealousy and with the assistance of the police he continued his killing spree until he claimed a total of 37 victims Lips sealed by secret oaths and federal obstructions of justice the investigation was further impeded by personal associations with the suspect and his tenacious intrepid wife placing family members in imminent danger The evidence is overwhelming and given the totality of the facts it is the author s opinion that there is no jury in the world that would not find the suspect guilty of being the criminal genius ZODIAC *In the Shadow of Mt. Diablo* Mike Rodelli, 2022-12-27 a worthy if not definitive addition to the body of Zodiac knowledge Kirkus It is no exaggeration to call the identity of the Zodiac Killer the most maddening unsolved crime in American history But it is also no exaggeration to say that Mike Rodelli s case stands above them all Tom Zoellner Author and Former Reporter for the San Francisco Chronicle In June 1999 Mike Rodelli had an idea that had never occurred to a generation of detectives in the San Francisco Bay Area This led him to a new suspect in the Zodiac case and began a twenty year odyssey to prove that this man was the Zodiac Killer In the Shadow of Mt Diablo The Shocking True Identity of the Zodiac Killer is filled with original information about the mystery including DNA and behavioral profiling that resulted directly from his twenty years of intensive research Rodelli provides the reader with an objectively researched fully documented book that is meticulously footnoted and which shows that against all odds he has solved a case many said would never yield its dark secrets **The Zodiac Killer** Michael Butterfield, 2025-05-01 More than 50 years after the Zodiac Killer mysteriously vanished his crimes and letters still haunt the world The Zodiac Killer conducted a campaign of terror in the late 1960s killing seven victims before taunting investigators through a series of cryptic letters clues and coded messages sent to local newspapers For more than five decades investigators have searched for the identity of the Zodiac Killer Hoaxes and forged letters fueled an ongoing media circus while the mystery inspired TV documentaries feature films books websites podcasts and even copycat killers This compelling biography is written by Michael Butterfield a writer and researcher who has been investigating the Zodiac case for more than 30 years He separates fact from fiction and lays out what we know about the crimes the mysteries and the theories surrounding the case its legacy in popular culture and where the investigation stands today **The Case of the Zodiac**
