### **My Prime Ministers And I English Edition:**

**My Prime Ministers and I** Stephen Maybery, 2010-08-19 Set at the time of the Golden Jubilee *My Prime Ministers and I* is exactly what satire is supposed to be a ruthless and hilarious lampoon of Tony Blair and England's Political class Tired of being continuously undermined by her supposedly loyal Ministers Queen Elizabeth abdicates as do her immediate successors The Ministers are delighted as they are now able to act as if they were royalty without the embarrassment of being measured against the real thing But things do not work out quite as the politicians anticipated The Queen now lives in Canada from where she subtly plots against the British Government and if that were not bad enough for the Administration in London the populace of Great Britain had the impertinence to start voicing their opinions on the direction events were taking a development not necessarily to the taste of the ruling elite who viewed such manifestations of democratic opinion to be nothing short of seditious giving the lower orders the vote was one thing but actually listening to them was out of the question and unfortunately that is the sort of logic which can start a revolution Dividing her time between Canada and Virginia Elizabeth II orchestrates the situation much as a conductor would a Mozart symphony The London politicians may have possessed the power but what chance would they stand against a woman through whose veins ran a thousand years of skulduggery **Itō Hirobumi - Japan's First Prime Minister and Father of the Meiji Constitution** Takii

Kazuhiro, 2014-01-21 The brilliant and influential statesman Itō Hirobumi 1841 1909 and the first prime minister of Japan's modern state has been poorly understood This biography attempts to set the record straight about Itō's thought and vision for Japan's modernisation based on research in primary sources It outlines Itō's life the son of a poor farmer he showed exceptional talent as a boy and was sent to study in Europe and the United States He returned home convinced that Western civilisation was the only viable path for Japan Following the Meiji Restoration of 1868 Itō became a powerful intellectual and political force behind reforms of Japanese laws and institutions aimed to shape a modern government based on informed leadership and a knowledgeable populace Among his many achievements were the establishment of Japan's first constitution the Meiji Constitution of 1889 and the founding in 1900 of a new type of constitutional party the Rikken Seiyukai Friends of Constitutional Government which reformulated after 1945 became the Liberal Democratic Party that has dominated Japanese politics in the postwar period Concerning Itō's role as Japanese Resident General in Korea from 1905 the author argues that Itō's aim not understood by either the Japanese home government or Koreans themselves was not to colonize Korea He was determined to modernise Korea and consolidate further constitutional reforms in Japan This aim was not shared by others and Itō resigned in 1909 He was assassinated the same year in Manchuria by a Korean nationalist The Japanese language edition of this book is a bestseller in Japan and it received the Suntory Prize for Social Sciences and Humanities one of Japan's most prestigious publishing awards **The Prime Minister** Anthony Trollope, 1904 **Searching for Peace** Ehud Olmert, 2022-03-15 A revealing memoir by the Israeli leader who almost made peace with the Palestinians Written almost

**Dad's Best Memories and Recollections** Charles J. Humber, 2016-01-19 DAD S BEST MEMORIES AND RECOLLECTIONS is Chazzz Humber s  
 epitaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite  
 monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are  
 serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in  
 their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to  
 live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what  
 it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like  
 to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator  
 shoes to one of Hollywood s shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the  
 United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them  
 with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an  
 admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to  
 imitate what he has monumentally achieved in Dad s Best Memories and Recollections

**Slow Down** Kohei Saito, 2024-10-29 A well reasoned and eye opening treatise K hei Sait makes a provocative and visionary proposal Publishers  
 Weekly starred review A cogently structured anti capitalist approach to the climate crisis Kirkus Reviews starred review Why  
 in our affluent society do so many people live in poverty without access to health care working multiple jobs and are  
 nevertheless unable to make ends meet with no future prospects while the planet is burning In his international bestseller K

he Sait argues that while unfettered capitalism is often blamed for inequality and climate change subsequent calls for sustainable growth and a Green New Deal are a dangerous compromise Capitalism creates artificial scarcity by pursuing profit based on the value of products rather than their usefulness and by putting perpetual growth above all else It is therefore impossible to reverse climate change in a capitalist society more the system that caused the problem in the first place cannot be an integral part of the solution Instead Sait advocates for degrowth and deceleration which he conceives as the slowing of economic activity through the democratic reform of labor and production In practical terms he argues for the end of mass production and mass consumption decarbonization through shorter working hours the prioritization of essential labor over corporate profits By returning to a system of social ownership he argues we can restore abundance and focus on those activities that are essential for human life effectively reversing climate change and saving the planet *Parliamentary Debates; Official Report[s]* Great Britain.
