No, I Was Not Born Gay! Jay L. Hudson, 2012-01-06 Do you believe you were born gay and had no choice in the matter Or do you struggle with gay or lesbian desires or perhaps wrestle with sexual sin Or are you a Christian who harbors the secret of sexual sin and have been too afraid to confess this sin so that God can set you free from such bondage The author of this book No I Was Not Born Gay understands your dilemma The Holy Spirit has inspired Author Jay Hudson by the grace of God to speak the truth of God to all nations This writing is not meant to be a warm fuzzy feeling read and some may even be offended Nonetheless Jay has been led by God to tell the truth to all people in these last days concerning sexual sin homosexuality in particular God has also anointed Jay to be God's mouthpiece to help those who want to find and experience freedom in Christ *Bewitched, Bottled, and Bewildered* Bethany M. Sefchick, 2018-08-15 Hoping for a fresh start after her messy divorce from the ex husband from Hell Maddie Stewart has returned to her hometown of Penn's Hollow to run her family's historic bed and breakfast Maddie is tired of being gossiped about lied to and oh yeah cheated on So she is in no way ready to date again That is until she meets Noah the genie sorry jinn she accidentally releases from his bottle late one night Condemned to life as a jinn back in 1955 former farm boy and ex Air Force pilot Noah Foster has served quite a few masters or mistresses if you prefer over the decades However he's never had a mistress quite like Maddie Not only is she smart sexy and beautiful she's also not afraid of him Not even a little bit Maddie is also thoroughly modern and has some very strong opinions about what jinns and mistresses should and shouldn't do together at least as long as they don't break any of the rules that govern the world of the jinn As Maddie struggles to decide upon her three wishes Noah must pretend he's a travel writer and attempt to live outside of his bottle without anyone discovering he's really a jinn A jinn who just happens to be falling in love with his mistress And for a jinn falling in love with a human is most definitely against the rules Can Noah find a way to be with Maddie even for a little while or will his love end up costing him more than he could have ever imagined This 93 500 word novel is written in the modern romance style for a slightly hotter read It may not be appropriate for younger audiences **The New Testament of Our Lord and Savior Jesus Christ**, 1878 [The Christian Union](#), 1890 **The Christian Union** Henry Ward Beecher, 1890 [The Icon in My Pocket](#) Owe Wikström, 2008 Practically everybody loves to travel to discover something new We want to escape to be free to feel the sun on our faces So we venture forth to far away places But whether we are package tourists culture vultures or backpackers the questions can still arise Is this really all there is Is there nothing beyond what we can see something MORE Can we find space and time on our journey to find new realities The outward journey can be the start of an inner journey This book superbly translated from the original Swedish reflects on our modern obsession with travel whilst discussing existential questions During his visits to Rome Paris Venice and the Canary Islands the author depicts an inner journey On the way we meet such diverse figures as the philosopher Seneca the author Proust Emperor Marcus Aurelius and the Man in the corner whose radical doubts question all kinds of

pretentious talk We click on computer icons the world opens up But the pocket icon is of a different sort It speaks of another journey At a time when many people feel confused and embarrassed by talk about spirituality this book puts forward powerful ideas in an eminently readable style but perhaps it poses more questions than it answers A barely discernable but serious and calm look stares at me from the cheap plastic Russian icon The icon s reverse perspective means that the observer is always observed wherever he is Or rather the observer is drawn into the icon s world The diminutive pictures faded colours dark red gold and pale blue light up my study The icon watches over me whilst I sleep on train journeys or at dreary airports It is placed next to my bed when I come home At this moment it is standing on the railing of a balcony several miles off the coast of Africa But mostly it rests in my pocket Holiness doubly concealed Owe Wikström is the author of fifteen books and is professor of the Psychology of Religion at Uppsala University Sweden A Lutheran minister and psychotherapist he has written several books on psychology philosophy literature music and culture He is a popular speaker and a frequent contributor to radio and television programmes His bestseller *Långsamhetens lov* In Praise of Slowness has already been translated into six languages He was awarded the Swedish C S Lewis Prize for 2007 *The Northwestern Lutheran* ,1951
