My Special Treasure English Edition:

Our Beguine Joel M. Levin, 2015-03-23 We all talk about life and death but in doing so use these words in a different manner There before us is a table filled with many ideas and many beliefs or even a lack of belief For some this is all there is and there is no other life but the one we now own For others there is a strong belief in the hereafter In todays world there seems to be a coming together of religious belief and scientific thought processes theories and experimentation This memoir serves not only to tell the story of Donnas and my life together in music prose and poetry but also explores the latest concepts regarding the mystery of the soul We are all of humankind and the quest belongs to all The hour of departure has arrived and we go our separate ways I to die and you to live Which of these two is better only God knows Socrates

Broken Beads on My Moccasins Kerin Lee Mesanko, 2009-07 If the stars don t shine God is the guiding light If the ocean fails to come home to the shore God has a plan If the sun ceases to rise and fall God s love prevails And if a child is born among the weeds and thorns of alcoholism God can make the garden beautiful Through all the chaos and confusion of life His promise of I will never leave you or forsake you holds true This book is a collection of creative writings cartoons and inspirational insights that journeys the author s life from toddler to present The prevailing theme is that God is in control and showers His children with daily encouragements to love one another as He has loved us This reminder may come from the gentleness of moonlit snowfall or the comprehension of an autistic child but it is the great commission carried out from the broken and softened hearts of His children Kerin Mesanko graduated from the Pennsylvania State University in 2005 with a Bachelor of Science degree in elementary education and an art concentration She is an award winning writer of devotions and children s literature and attends the First Church of God in Punxsutawney PA She currently works with children in a therapeutic context with a focus on autism A wife and mother of two sons Kerin and her husband Denny live in Stump Creek Pennsylvania *Bible helps for busy men* sir Algernon Charles P. Being a Discourse on Ephes. 3. 8., Etc* Bartholomew ASHWOOD, 1681 *Sound Intentions* Peter McDonald, 2012-11-22 The rhymes in poems are important to understanding how poets write and in the nineteenth century rhyme conditioned the ways in which

poets heard both themselves and each other writing Sound Intentions studies the significance of rhyme in the work of Wordsworth Keats Tennyson Christina Rossetti Hopkins and other poets including Coleridge Byron Elizabeth Barrett Browning Swinburne and Hardy The book's stylistic reading of nineteenth century poetry argues for Wordsworth's centrality to issues of intention and chance in poets work and offers a reading of the formal choices made in poetry as profoundly revealing points of intertextual relation Sound Intentions includes detailed consideration of the critical meaning of both rhyme and repetition bringing to bear an emphasis on form as poetry's crucial proving ground In a series of detailed readings of important poems the book shows how close formal attention goes beyond critical formalism and can become a way of illuminating poets deepest preoccupations doubts and beliefs Wordsworth's sounding of his own poetic voice in blank verse as well as rhyme is here taken as a model for the ways in which later nineteenth century poets attend to the most perplexing and important voicings of their own poetic originality
