The Witches' Spell of Seduction - A MFFF Witch Erotica Rory Scott, 2014-10-03 What could be more innocent than three young women trying to enjoy a night on the town Unless of course those three young women happen to be witches who have failed in their quest to cast the spell of seduction This may be their last chance for the spell to work They ve collected the most important ingredients henbane hemlock various bits of bones but they have yet to acquire the most important ingredient the seed of a young man Fortunately for them a young man named Alex just happened to wander into their presence on the very night they began preparing for the ritual Alex might just be the key component that they have been looking for all along and Alex might just be in for the sexual ride of his life This 5 569 word story is just the kink you re looking for if you want to cast a little seduction of your own Don t hesistate to pick up The Witch's Spell of Seduction to peer into the erotic magic that lurks within EXCERPT Alex was surprised again to see that the male bartender who had been working all night had suddenly disappeared and a young woman with straight somewhat messy blonde hair had taken his place Some of her hair had grown naturally into dreadlocks that gave the impression of modest dirtiness but she had piercing blue eyes that shone with exceptional clarity Her gaze penetrated Alex as he made eye contact with her She walked up to the serving side of the bar across from where Alex sat then she gracefully slid two martinis and a beer across the table to Alex and Daphne It looks like we got here just in the nick of time she said You weren t thinking about leaving just yet were you said the replacement bartender Oh no I uh just another beer for me then haha said Alex His boredom had quickly given way to nervousness and he wasn t doing a very good job of hiding it Oh nonsense said the bartender You need to up your game This is a way better drink One for Daphne and one for you plus you can have your little beer too The new bartender leaned forward onto the bar in front of Alex She made sure to reveal a bit of her cleavage to Alex as she did so Alex noticed My name is Serene I figured that asking me my name might be your next question and I really hate formalities so I would just as soon get them out of the way so we can get right into the meat of the conversation Oh uh thank you for the drink my name is Sandra decided not to let Alex finish his sentence She pushed herself into his side coyly but forcefully nearly knocking him off his bar stool He put one foot down on the ground to steady himself Her skin felt incredibly soft her outfit revealed plenty of it
