

# People Who Are Everyday Heroes for Me Essay

An Everyday Hero By 10/11/2012 Everybody has an everyday hero. An everyday hero, though who they are and why they are our hero may be different from the person next to us, have at least one thing in common, they make a difference in our daily lives. Everyday heroes can be intelligent, brave, kind, loving, or anything else that you may consider as a heroic trait. For me personally, I consider my mom to be an everyday hero in my life. One of the heroic traits I see in my mom is that she is always there for me no matter what. She is the one who comes to my mind when days are filled with dread and then, my days become bright once again.

## My Mother as My Everyday Hero

If I am going through a "rough patch" in life she is there, standing by my side ready to do whatever she can to make that patch of my life great once more, if not better than it was before. When I fall she is there, right next to me, ready to help me up any time that I need. Another trait my mom has that makes her an everyday hero in my life, is that she always has time to lend a listening ear and comfort those around her. No matter how petty something bugging me may be, she will sit there right beside me until I have finished speaking out. She then hugs me close and manages to find the perfect thing to say.

She does this time and time again always ready to lend yet another listening ear and a flow of comforting words. Everyday it comforts me knowing that once I get home all my worries or complaints will look trivial after spending a few seconds with her. This trait, is the last in the order of writing, but not in importance, for that is a fact that I will not counteract. The trait my mom possesses that I find to be her best, is the fact that she always has had the unconditional love that I think all heroes must possess. No matter what's done, said or expressed she will be there with a love that always forgives, and never fades away. The only way her love ever changes is the fact that it grows stronger everyday. I can only hope that one day I may acquire that heroic trait, and that it has the same abundance in me as it does in my mom. This written exposition has come to an end, and without a doubt, I can confidently state, that my mom is an extraordinary everyday hero and is one of a kind. I perceive her as a kind, loving, understanding, caring, gentle soul. She is the person who always saves my day, she is my hero, and I will love and admire her always.

Jameson, 2016-02-16 Cultural critic Fredric Jameson renowned for his incisive studies of the passage of modernism to postmodernism returns to the movement that dramatically broke with all tradition in search of progress for the first time since his acclaimed *A Singular Modernity: The Modernist Papers* is a tour de force of analysis and criticism in which Jameson brings his dynamic and acute thought to bear on the modernist literature of the nineteenth and twentieth centuries. Jameson discusses modernist poetics including intensive discussions of the work of Baudelaire, Rimbaud, Mallarmé, Wallace Stevens, Joyce, Proust, and Thomas Mann. He explores the peculiarities of the American literary field taking in William Carlos Williams and the American epic and examines the language theories of Gertrude Stein. Refusing to see modernism as simply a Western phenomenon, he also pays close attention to its Japanese expression while the complexities of a late modernist representation of twentieth-century politics are articulated in a concluding section on Peter Weiss's novel *The Aesthetics of Resistance*. Challenging our previous understanding of the literature of this period, this monumental work will come to be regarded as the classic study of modernism. **Writing Assessment Handbook, Grade Eight** Francie Alexander, California.

This volume shows how, when viewed through the prism of Latin, Scottish textuality was distinctive and fecund. The flowering of Scottish writing owed itself to a subtle combination of literary praxis, the ideal of eloquentia, and ideological deftness which enabled writers to service a burgeoning national literary tradition.
