My Husband Is a Sissy Mistress Jessica,2012-04-11 What if your husband no longer satisfied your needs in the bedroom you could get rid of him or you could make him into a little sissy this way you could keep him around for the household chores such as cleaning and laundry as you slowly took his manhood away from him and turned him into something far more less than a man This would free you up to enjoy the attentions of more worthy manly specimens knowing that the house would be clean when you got home You could dress him up so pretty and embarrass him in front of your friends and use him in ways that you probably had never thought of before Well that is exactly what I did and here is his story *What's a Woman to Do?* Victor McGlothlin,Victor McGlothlin,2004-09-17 When a corporate diva Janeen Hampton Gilliam meets the kind of dream man that ll make most women want to trade theirs in her struggling marriage with a philandering husband gets even harder to maintain Throw in trouble at work and a novel that tells the deepest secrets of her youth and Janeen has more on her plate than she can handle Her younger sister Sissy is having the time of her life working dirty real estate deals and enjoying her friendship with the young women who are paid mistresses to Dallas s powerful men But when the only man she s ever loved suddenly reappears he causes more drama than she could imagine And then there s Joyce the eldest of the three who spends most of her time praying for the sins of the other two while at the same time dealing with hidden secrets of her own When she sees a woman who looks suspiciously like Sissy in a compromising position with Janeen s wayward husband she has to decide which sister deserves her allegiance The combination of new and old secrets is explosive and it sets off a whole powder keg of emotions With so many scandalous issues hanging in the balance Janeen Sissy and Joyce are left wondering What s A Woman To Do *Another Husband Sissy Story* Mistress Jessica,2012-06-19 Well where do you start I mean I never started out with evil intentions in mind though I have to admit that was exactly where I ended up My name is Sally and I am a Dominant Wife I know a few people would consider me an abusive wife and I am fine with that except the only difference is that my husband actually enjoys me abusing him It wasn t always like that when I married Bob we were the typical married couple we went on vacations together and built our nest egg together and all that normal stuff We were married for about ten years before things started to change and I never once thought that I would be in the position I am in today Let us just say that I wear the pants in the family now and there is no way I am going to give up that power or control it became like a drug for me I never realized just how enjoyable it would be to be the power in the house but when I finally realized it I was addicted to it and I threw that power around with a heavy hand The simple fact that my husband submitted to me just made me even more power hungry it was like I could do no wrong no matter how much I pushed the boundaries of the new relationship that was developing between my husband and myself I always found him to be accepting of my authority In fact the more my husband capitulated to my wants desires and demands just made me want to do more and more I don t want to get to far ahead of myself because that will simply ruin the story for you and we don t want to do that now do we I

**God Knows the Path I Take** Caroline Bushey, 2025-01-22 I'm learning that the difficulties I've experienced have been opportunities to trust the Lord. Are you facing challenges in your life? Perhaps trust is an issue; people and situations have let you down. Maybe you've made bad choices and the consequences are rough. Fear or doubt might be consuming you, paralyzing your ability to act. Whatever your issue, *God Knows the Path I Take* invites you to look to Jesus for help in overcoming your condition and to develop a relationship with the only One who can deliver and sustain you. Blending personal anecdotes with scriptural stories and truth, *God Knows the Path I Take* supplies encouragement for facing life's trials and demonstrates how God enables us to rise above our difficulties. In our times of need, we can draw strength from God's promises, and as we grow in faith, we learn that His Word will replenish us. Trials and tribulations in God's economy inspire us to dig more deeply into His Word, finding guidance, peace, and rest. *God Knows the Path I Take* dispenses nourishment for our souls. Whether our need is emotional, physical, or spiritual, we can be assured that God knows every detail of our lives and what we face. When we ask for His help, He meets us where we are. We can depend on God, knowing that He will honor His Word to bring about good in our lives and glory to Himself.

**The Mama's Boy Myth** Kate Stone Lombardi, 2012-03-15 A New York Times contributor offers a radical reexamination of a hot button issue: the mother and son relationship, and advocates the end of the mama's boy taboo. New York Times contributor Kate Stone Lombardi unveils the surprisingly close relationship between mothers and sons. Mother after mother confessed to Lombardi that her husband, brothers, and even female friends and family criticize the fact that she is too close to her sons. Many of these women are often startled by the strong connection they feel with their sons, but rarely do they talk about it because society tells them to push their little boys away and not baby them with too much cuddling and comforting. It is as if there were an existing playbook based on gender preconceptions dating back to Freud's Oedipus and beyond that prescribes the way mothers and their sons should interact. Lombardi's much-needed narrative is the first and only book to share truly revealing interviews with mothers who have close relationships with their sons, as well as interviews with these women's sons and husbands. Lombardi persuasively argues that the rise of the new male, one who is more

emotionally intelligent and more sensitive without being less manly is directly attributable to women who are rejecting the mama's boy taboo Highlighting new scientific studies The Mama's Boy Myth begins a fresh story one that will be welcomed by mothers fathers and sons alike     The Coal Tattoo Silas House,2004-09-24 Two sisters can't stand to live together but can't bear to be apart One worships the flashy world of Nashville the other is a devout Pentecostal One falls into the lap of any man the other is afraid to even date One gets pregnant in a flash the other desperately wants to have child This is what's at the heart of Silas House's third masterful novel which tells the story of Easter and Anneth tragically left parentless as children who must raise themselves and each other in their small coal mining town Easter is deeply religious keeps a good home believes in tradition and is intent on rearing her wild younger sister properly Anneth is untamable full of passion determined to live hard and fast It's only a matter of time before their predilections split their paths and nearly undo their bond How these two women learn to overcome their past sacrifice deeply for each other and live together again in the only place that matters is the story of The Coal Tattoo Silas House's work has been described as compelling seamless breathtaking heartbreaking eloquent stunningly beautiful and exquisite In The Coal Tattoo he raises the bar once again
