My Secret Life: The Complete Unabridged Volumes I. to III. Anonymous, 2023-12-19 My Secret Life The Complete Unabridged Volumes I to III presents a candid and unflinching exploration of sexuality and social mores in Victorian England. Written in the form of an autobiographical narrative, the work delves into the complexities of desire, eroticism, and personal identity, challenging the strict moral codes of its time. The anonymous author employs a frank and confessional style, utilizing rich descriptive language that invites readers into intimate spaces of thought and experience. This seminal text stands as a critical examination of 19th-century sexuality while also reflecting on broader themes of privacy, shame, and societal expectation. The identity of the author remains shrouded in mystery, which has fueled speculation and scholarly debate over the years. Rumored to be a gentleman of some standing in society, their experiences serve as a lens through which the repressive dynamics of the era can be scrutinized. This anonymity also allows the text to act as a fearless critique of contemporary norms, revealing the raw truths of human emotion and the intricacies of sexual exploration against a backdrop of societal condemnation. For readers seeking an unvarnished portrayal of human sexuality and the trials of personal liberation, My Secret Life is an indispensable read. It challenges existing narratives around desire and privacy, inviting a deeper understanding of both historical and contemporary issues surrounding intimacy. This work is not only a fascinating historical document but also a timeless exploration of the human condition. [My Secret Life \(Complete 11 Volumes\)](#)

Excerpt: I began these memoirs when about twenty-five years old, having from youth kept a diary of some sort which perhaps from habit made me think of recording my inner and secret life. When I began it I had scarcely read a bawdy book, none of which excepting *Fanny Hill* appeared to me to be truthful that did and it does so still. The others, telling of recherche eroticisms or of inordinate copulative powers of the strange twists, tricks, and fancies of matured voluptuousness and philosophical lewdness, seemed to my comparative ignorance as bawdy imaginings or lying inventions, not worthy of belief. Although I now know by experience that they may be true enough, however eccentric and improbable they may appear to the uninitiated, *Fanny Hill* was a woman's experience. Written perhaps by a woman where *Walter's* was written with equal truth. That book has no bawdy word in it, but bawdy acts need the bawdy ejaculations, the erotic full-flavored expressions which even the chastest indulge in when lust or love is in its full tide of performance. So I determined to write my private life freely as to fact and in the spirit of the lustful acts done by me or witnessed; it is written therefore with absolute truth and without any regard whatever for what the world calls decency. Decency and voluptuousness in its fullest acceptance cannot exist together; one would kill the other. The poetry of copulation I have only experienced with a few women which however neither prevented them nor me from calling a spade a spade. **My Secret Life** Anonymous, 2023-12-27
