The Indomitable Chemist Dr. Arvind Yadav, 2023-11-08 Prof. CNR Rao is a living legend. Einstein paid a compliment to Mahatma Gandhi on his 70th birthday: "He said, 'Generations to come, it may well be, will scarce believe that such a man as this one ever in flesh and blood walked upon this earth.'" On Prof. Rao's birthday, I would repeat these words: "Prof. Rao is not an individual; he is an institution; he is a phenomenon. I feel lucky that our generations could see him, touch him, feel him, experience him, learn from him, and get inspired by him. I have watched Prof. Rao as a scientist, as a science leader, as a science institution builder, and indeed as a leader of leaders of science. I have also watched him as a wonderful, warm-hearted human being with abundant empathy. I have seen his childlike enthusiasm. I have watched him as courage personified. What follows is more anecdotal but solely based on my personal viewpoint. Professor Rao has had a tremendous influence on my life. He has been my guru, guide, friend, and philosopher. I met him for the first time when he was the Chairman of the Research Advisory Council of the National Chemical Laboratory (NCL) in the nineteen eighties. I was then in my late thirties. Professor Rao has an uncanny ability to spot talent among the young. He was the President of the Indian Science Congress in the year 1988, which was held in Pune. University Mr. Rajiv Gandhi was the Prime Minister, and he inaugurated the Science Congress. Later, on during the lunch that followed, Prof. Rao made a special point to introduce me to Rajiv Gandhi. I still remember his words: "He said, 'Mr. Prime Minister, meet a rising young star of Indian science.' Little did I then know that within the next couple of months, he would make me a member of the Science Advisory Council to the Prime Minister, which he was chairing. At 42, I was the youngest member, and I remember people calling me 'the baby of the team.' Getting that huge exposure at such a young age was something very special for me. I got a helicopter view of India at large. It helped me enormously as I moved on in life."
