Edward Bandy, 2014-07-03 For over 100 years western students have been aided by the teachings of Yogi Ramacharaka Generations of students have found the study of the Ramacharaka texts and the practice of his teachings to be a valuable step in the attainment of wisdom awareness and improved health of mind body and spirit This collector quality edition includes the complete text of this enduring classic in a freshly edited and newly typeset edition With a generous 6x9 page size this Summit Classic edition is printed on heavyweight bright white paper with a fully laminated cover featuring an original full color design Also included is an original detailed biographical sketch discussing the life and work of the secretive author *Mystic Christianity* is a comprehensive study of the influence and impact of the beliefs concepts principles and philosophy of ancient Judaic and eastern mysticism and the Kabbalah on the religion of Christianity Presented in a straightforward manner in plain language the text guides the reader through a study of the ancient mystic and occult doctrines which form the basis of much of the Christian Doctrine as presented in the New Testament of the Christian Bible Drawing on both ancient and more modern sources the text sheds light on many of the most confusing mysterious and paradoxical episodes in the life teaching and philosophy of Jesus Christ revealing Him not as the creator of an entirely new belief system but as the master and teacher of an ancient system of knowledge and beliefs comprising the Inner Teachings previously known only to a handful of initiates Whether as an introduction for beginners or a self study guide for more advanced readers the systematic straightforward style of the work makes the often abstract and mysterious concepts accessible to all readers as it explores the role of ancient wisdom and knowledge in the teachings of Jesus and the later entry through various means of concepts which distorted and confused the original message of the Master a message of the oneness of the universe and the place of man collectively and individually in that universe a universe where there are universal laws at work and universal truths at the heart of existence Like much of the author's work the text teaches that the discovery and understanding of these universal laws and truths can be applied to improve the life of the individual and that humankind's growth and development is an ongoing process which should be directed at the discovery and application of these principles But the message is also directed to each individual for each individual is capable of understanding some part of the universal truth and the application of that part which is within the grasp of the individual will further the mental and spiritual growth and development of that individual This book is most emphatically NOT an overt rejection of Jesus or his teachings or the central message of Christianity But it strips away layers of misleading information added to that message in the ensuing years by often well meaning disciples and believers who

confused and obscured the real teachings of Jesus teachings grounded in an ancient and mysterious wisdom *Mystic Christianity Or, the Inner Teachings of the Master* William Walker Atkinson,2017-11-14 This collection chronicles the fiction and non fiction classics by the greatest writers the world has ever known The inclusion of both popular as well as overlooked pieces is pivotal to providing a broad and representative collection of classic works *Mystic Christianity; Or, The Inner Teachings of the Master* William Walker Atkinson,2019-11-25 In *Mystic Christianity Or The Inner Teachings of the Master* William Walker Atkinson ventures into the profound spiritual insights of Christianity reframing traditional dogma through an esoteric lens Employing a straightforward yet contemplative literary style Atkinson elaborates on the mystical dimensions of Christian teachings focusing on personal transformation and the inner experiences that lead to spiritual awakening This work is positioned within the broader context of the New Thought movement reflecting an era that sought to reconcile religion with emerging psychological and metaphysical ideas thereby inviting readers to explore deeper truths beyond conventional scriptural interpretations William Walker Atkinson was a prolific writer and a pivotal figure in the New Thought movement known for his exploration of metaphysics self help and spiritual philosophy His background in law coupled with deep interests in philosophy and mysticism uniquely equipped him to challenge the orthodox perspectives of his time Atkinson s journey through various spiritual practices including yoga and Eastern philosophies profoundly influenced his writings and propelled him to delve into the mystical essence of Christianity offering alternative viewpoints to Western religious thought I highly recommend *Mystic Christianity* to those who seek a richer understanding of Christ s teachings beyond the dogmatic boundaries of organized religion Atkinson s insights encourage readers to embark on a personal quest for spiritual authenticity making this book an essential read for anyone interested in the intersections of faith mysticism and personal growth ***Mystic Christianity (Esprios Classics)*** William Walker Atkinson,2023-01-09 William Walker Atkinson December 5 1862 November 22 1932 was an attorney merchant publisher and author as well as an occultist and an American pioneer of the New Thought movement He is the author of the pseudonymous works attributed to Theron Q Dumont and Yogi Ramacharaka He wrote an estimated 100 books all in the last 30 years of his life He was mentioned in past editions of *Who s Who in America* in *Religious Leaders of America* and in similar publications His works have remained in print more or less continuously since 1900 *Mystic Christianity; Or, the Inner Teachings of the Master* William Walker Atkinson,2014-12-20 William Walker Atkinson December 5 1862 November 22 1932 was an author as well as an occultist and an American pioneer of the New Thought movement ***Mystic Christianity Or the Inner Teachings of the Master*** Atkinson,1907 ***Mystic Christianity; Or, the Inner Teachings of the Master*** Atkinson William Walker,2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain

In Mystic Christianity Religion Philosophy and Science are known to be one and the same thing There is no conflict between Science and Religion Philosophy and Religion or Philosophy and Science They are all but names for the One Truth There be but one Truth there cannot be more than one And so call it by the name of Religion the name of Science the name of Philosophy it matters not for the same thing is meant There is naught but Truth Nothing else really exists All that is not Truth is Illusion Maya Nothing And Mystic Christianity is based upon the Rock of Truth fearing not the winds nor the storms that try out the stability of all structures of thought Like its founder it has always existed always will exist from the Beginningless Beginning to the Endless Ending LESSON 1 The Coming of the Master 2 The Mystery of the Virgin Birth 3 The Mystic Youth of Jesus 4 The Beginning of the Ministry 5 The Foundation of the Work 6 The Work of Organization 7 The Beginning of the End 8 The End of the Life Work 9 The Inner Teachings 10 The Secret Doctrine 11 The Ancient Wisdom 12 The Message of the Master Mystic Christianity William Atkinson,2014-01-22 Exploring deeply the teaching of the one called the Christ this book reveals to us the heart of God the heart of the Messiah and shows us the path through the scripture to manifest that heart and that power in our own lives Mystic Christianity William W Atkinson,2023-03-20 Most Christians think of words like meditation and mysticism as words related merely to Eastern

Religions and philosophies However as this volume asserts concepts such as mysticism was and is a vital part of Christian spirituality The author William W Atkinson also examines the concept of reincarnation in the origins of Christianity and by doing so offers us an interesting new look at Christianity in the context of its universality and its relation with those of Eastern religions Mystic Christianity, Or, The Inner Teachings of the Master Ramacharaka,1918 **Mystic**
