ISAIAH MACWEALTH

Elijah Number In Series:

"Granny's Chapters" - on Scriptural Subjects. (First, Second Series.). Lady Mary Ross, 1871 *PRAYER STUDY COURSE SERIES*

ISAIAH MACWEALTH, For hundreds of years the subject of prayer has been one with divergent views opinions and ideologies one that has engendered great dissention in the body of Christ with respect to its methodology and practices However what cannot be denied is the timeless passion and ageless desire in every man to communicate with a higher power and to initiate changes in every area of life This desire in man can be expressed in and through prayer but what is prayer Is prayer just talking to God as popularly defined If prayer is simply talking to God what would we call casting out devils and binding Satan Despite the fact that many people seem to pray why are so few getting the results Are there principles or rules that guide prayer Are there factors that hinder effectivity in it This book does not only seek to answer these questions above but to introduce new concepts in prayer that will create new prayer experiences It also seeks to explore the concept of prayer with the intention to break previous erroneously established boundaries that hinder its effectiveness and to equip the end time believer with the necessary understanding and light required for an effective prayer life and to ultimately equip the church in enforcing its rights and privileges in the place of prayer My heart desire for you as you read this book is that a fresh understanding and passion for prayer will be birthed in your spirit and that you will take your place in prayer for the body of Christ thus fulfilling the ministry of our Lord Jesus Christ on the earth Amen *1 & 2 Kings* Lynn Jost, 2021-11-02

The Union Cavalry and the Chickamauga Campaign Dennis W. Belcher,2018-08-28 During the Chickamauga Campaign General Stanley's two Union cavalry divisions battled Forrest's and Wheeler's cavalry corps in some of the most difficult terrain for mounted operations The Federal troopers commanded by Crook and McCook guarded the flanks of the advance on Chattanooga secured the crossing of the Tennessee River then pushed into enemy territory The battle exploded on September 18 as Col Minty and Col Wilder held off a determined attack by Confederate infantry The fighting along Chickamauga Creek included notable actions at Glass Mill and Cooper's Gap Union cavalry dogged Wheeler's forces throughout Tennessee The Union troopers fought under conditions so dusty they could hardly see leading the infantry through the second costliest battle of the war **Adam to Apophis** Nicholas Costa,2013 Who or what were Adam Noah and Elijah Where they real or imaginary What exactly was Creation Did something really happen sometime around 4 000 BC as the Bible tells us What exactly was leprosy Why is the Islamic world in turmoil after centuries of quiescence Are the mass uprisings democratic movements against tyrannical regimes or fanatical drives to promote the spread of Islam or is there something else far more sinister at play Adam to Apophis provides answers to all of these questions For millennia major religions have held the unflinching belief that at some future point the world will once more enter an end time phase According to Islamic Hindu Buddhist Jewish and Mayan reckoning that end time phase is this current century Christianity also holds the same belief During such phases the earth has been subjected to airbursts and meteoric impacts which in turn have spawned decades long sequences of major environmental traumas in the form of extreme weather volcanic eruptions

massive earthquakes and tsunamis This future phase is itself part of a larger cycle to which the Earth has been subjected a number of times during the past 6 000 years resulting each time in worldwide societal collapse Religious or mythological texts exist which feature fantastic creatures and long lived superhuman beings The records have been fastidiously preserved for millennia Jewish and Chinese texts have preserved associated chronologies However these ancient chronologies have been repeatedly discounted or ignored by modern scholarship In the past few decades science has built up its own independent chronology of the earth s recent past by means of dendrochronology ice cores ice rafting sedimentology volcanology and astronomical retro calculations These now provide us with a tangible record of climatic and terrestrial traumas stretching back thousands of years At first sight the two disciplines would appear to be in total opposition the one seemingly relying on faith and fabricated evidence and the other on scientific reason and hard fact Given therefore the seeming polarity one would therefore expect to find little if any synchronicity between the two What happens if we overlay the templates Modern science has recently discovered an important earthly traumatic cycle know as Bond Events which occur every 1400 1500 years The religious texts also clearly display knowledge of this cycle Islam for example holds the belief that it will only last some 1400 1500 years Adam to Apophis demonstrates that the concept of millenarianism is no idle fantasy but ultimately rests upon a firm foundation of real physical traumas The book traces this primary cycle in stages back from the present day to Bond Event 1 the advent of Islam in the 6th century AD when there was massive terrestrial and social upheaval worldwide Bond Event 2 the 9th century BC where we discover the same pattern In the Bible this is represented by the Elijah cycle of stories which focus upon a hitherto unidentified massive volcanic eruption in Arabia but with clear evidence from regions as far afield as China that the trauma was worldwide Bond Event 3 Noah s Flood his true identity and the real location of the Ark still a major religious site comprising the largest cemetery in the world with millions of bodies buried there The identities of the Chinese Emperors Yao Shun and Yu and a second impact site Piora Oscillation Death of Adam The Nephilim The Chinese Flame Emperors The Mahabharata and Krishna Bond Event 4 5 9 Kiloyear Event The true nature of Creation the identity of Adam the Ramayana and the Burckle Crater Adam to Apophis is an original and compelling work It will be of indispensable interest not only to scientists and academics in a variety of disciplines but also to the layman of whatever or no religious persuasion

Seder Eliyahu Constanza Cordoni, 2018-08-21 The book is concerned with a so called ethical midrash Seder Eliyahu also known as Tanna debe Eliyahu a post talmudic work probably composed in the ninth century It provides a survey of the research on this late midrash followed by five studies of different aspects related to what is designated as the work s narratology These include a discussion of the problem of the apparent pseudo epigraphy of the work and of the multiple voices of the text a description of the various narrative types which the work itself as a whole of non narrative character makes use of a detailed treatment of Seder Eliyahu s parables and most characteristic first person narratives an extremely unusual form of narrative discourse in rabbinic literature as well as a final chapter dedicated to

selected women stories in this late midrash As it emerges from the survey in chapter 1 such a narratologically informed study of Seder Eliyahu represents a new approach in the research on a work that is clearly the product of a time of transition in Jewish literature
