Activities of Federal Law Enforcement Agencies Toward the Branch Davidians United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime,1996 **The Crimes of the Clergy, Or, The Pillars of Priest-craft Shaken** William Benbow,1823 *An Exposition of the Book of Revelation* Odell Furtick Jr.,2018-03-23 Odell Furtick begins this exposition by saying Do you believe Its a question that everyone must answer personally Its been over two thousand years since anyone has seen Jesus on earth after his ascension and now the believers are told to wait for his return Has humanity grown weary in their belief and lost faith in the promises of God Dr Furtick leads his readers through the book of Revelation verse by verse reassuring the readers that Gods final words are reliable and precise The book of Revelation is one of the most neglected books in the Bible because of fear and lack of comprehension of its apocalyptic writings and prophetic symbols This book brings to life a concise knowledge of the mysteries of God concealed in the Old Testament and revealed in the Revelation of Jesus Christ The book of Revelation is relevant in the twenty first century and the world should believe the testimony of the apostle John and believe all the sayings written in the Word of God *Joshua-Esther* Matthew Henry,1758

The Coming Deluge of His Glory Nestor Kouassi,2019-06-14 It s obvious that we are living in an exceptional time Exceptional times require exceptional measures As in Psalm 2 there is an effort by world rulers to dethrone God and eradicate from society any references to Christ Consequently a war has been declared against Christ s Church which at this point in history is in a lethargic state A defiant departure from God and a slow purge of His helpful boundaries has led to emptiness of souls moral decadence arrogance division confusion The Sovereign God is however going to respond to the seemingly insurmountable challenges we face in a unique way God is coming down through what we know as a revival and an awakening to heal the wounded world the book states This exceptional divine intervention is what The Coming Deluge of His Glory is about It chronicles the author s fascinating and unusual history with God from a voodoo saturated village in Benin West Africa to the United States A unique journey that has given birth to a unique divine perspective This book is a compelling vision of a glorious season ahead Heaven is ready to touch the Earth God is coming down like an overwhelming flood to make His purpose established on Earth Nestor said He describes in the book the descriptive visions and insights the Holy Spirit instilled in him about the so awaited revival and awakening The Coming Deluge of His Glory will stir up faith hope and love in believers through captivating revelations and Nestor s knowledge of God s agenda for His kingdom It s a proclamation of the coming of God s army a lion generation of Christians whose mission is to conquer rule and reign with a royal authority and power It will set your heart on fire and help you explore the intensity of the Father s sublime love **It's in the Bible!** Arthur Padilla,2019-09-17 The Bible is easily the most influential and most quoted book in western society It is revered so much that it is used to swear in to office the President of the United States Supreme Court Justices and other elected government officials When the President and other U S government officials swear that they will carry out their

duties with the help of the Biblical God few if any are aware that according to scripture the Biblical God is actually a man He is specifically a man of war as stated in the following scripture The Lord is a man of war the Lord is his name Exodus 15 3 Perhaps this is a reason why the United States has been at war 93 percent of the time since its existence The Bible has had significant historical social and political influences on humanity More importantly the Bible continues to significantly influence humanity today A specific example is today s conflict in the Middle East between Israel and its neighbors Israel bases its claim to the land in dispute with the argument that the God of the Bible gave them that land approximately 3 425 years ago as described in the Old Testament of the Judeo Christian bible This book takes this same literal approach in interpreting the narrative scripture concerning the God and events described in the same bible A few of the many items discussed in this book concerning biblical scripture are The U S is the modern version of Old Testament Israel That the Biblical God is actually a man or manlike entity Inferences to very advanced technology Inferences that Jesus of the Gospel was gay More than one Jesus Christ The second coming has already happened Reincarnation concerning Jesus and the prophets Periodic mass extinction Transition, Infinity, and Ecstasy Suresh Hariramait, 2016-01-15 Though modern astronomers and astro phycisists like Stephen Hawking have their doubts about interstellar travel there are countless references to inter dimesional travel in mostly ancient Indian texts The Kandha Puranam nearly 17 million years ago mentions that the Asura Titan King Sooran ruled over 1008 universes and had vimanas or flying crafts that could in an instant travel all over space cutting across dimensions at tremendous speed that could hover in mid air over water disappear and re appear all of a sudden and had a host of stealth weapons even nuclear winter is mentioned for it is said that the entire world was enveloped in darkness caused by Sooran during the war Lord Muruga possessed the Peacock Craft that could circumvent the 14 worlds and fly beyond in a micro second and his missile with the lengthy flame nedunchudar Vel was voice activated and re useable and was so powerful that it blew up into smitherns the Kraunja mountain which even our modern day nuclear weapons cannot do according to scientists The Ramayana 1 7 million years ago mentions that Emperor Ravana s Pushpaka vimana which he captured from Kubera the Lord of riches in heaven could host as many passengers as it takes there were stun weapons and stealth technology In the Mahabharata war 3500 b c nuclear weapons like the brahmastra were used and there is mention of numerous flying crafts of the Lords Angels of Asuras Titans and Rakshasas Demons who all travelled to and fro from the upper and lower worlds The Sri Linga Purana mentions that Lord Brahma s Swan Craft flew and transcended the seven upper worlds while Lord Vishnu s Boar Craft tunnelled though the seven lower worlds and went even beyond Baathala the lowest plane which all reminds us of blackholes being portals and shortcuts to parallell universes which is being theoretically proved today More than 2500 years ago the Japanese Royal Family s ancestors met with the Sun God who landed on Mount Fuji and were presented with a sword and an orb which are still in the Imperial Palace in Japan The native Indian s forefathers living on sun Island on lake Titicaca in South America were visited by the Sun God The Dogon

tribes of Mali have a tradition that their forefathers had sailed on a great ship that flew down from Sirius the star but what is interesting is that they don't wear spacesuit like gear and celebrate their home coming once every fifty two years which is when Sirius comes in direct alignment with our world

Paul and Ancient Views of Sexual Desire J Edward Ellis, 2007-06-08 Paul and Ancient Views of Sexual Desire refutes the argument put forward by some scholars that Paul in his sexual ethics is in partial agreement with a current of thought in the Greco Roman world that condemns sexual desire and advocates the elimination of such desire from marital sex Ellis argues against not only this line of thought but also the attendant notion that this way of thinking underlies Paul's comments on homosexual activity in Romans 1 Through close analysis of numerous ancient passages relating to sexual desire Ellis demonstrates that ancient thinkers tend to condemn not sexual desire in itself but excessive sexual desire and lack of self control Furthermore he contends that ancient auditors would have been unlikely to see condemnation of sexual desire in Paul's words in 1 Thessalonians 4 or 1 Corinthians 7
