Chinese Stories of Drug Addiction Guy Ramsay,2015-12-22 Addiction to illicit drugs is a pressing social concern across greater China where there are likely several million drug addicts at present This research breaks new ground by examining Chinese people s stories of drug addiction Chinese Stories of Drug Addiction systematically evaluates how drug addiction is represented and constructed in a series of contemporary life stories and filmic stories from mainland China Taiwan and Hong Kong These stories recount experiences leading up to and during drug addiction as well as experiences during drug rehabilitation and recovery Through analysis of these contemporary life stories and filmic stories the book presents a comprehensive picture of how Chinese people from both inside the experience of drug addiction and outside of it make sense of a social practice that is deemed to be highly transgressive in Chinese culture It employs a blended discourse analytic and narrative analytic approach to show how salient cultural political and institutional discourses shape these Chinese stories and experiences Complementing

existing humanities research which documents the historical narrative of drug addiction in China at the expense of the contemporary narrative the book also provides health and allied professionals with a rich insight into how Chinese people from different geographical locations and walks of life make sense of the experience of drug addiction Moving beyond historical narrative to examine contemporary stories Chinese Stories of Drug Addiction offers a valuable contribution to the fields of Chinese studies and personal health and wellbeing as well as being of practical use to health professionals 2020 the Campaign Chronicles JD Foster,2021-02-17 The 2020 campaign began with the 2016 election of Donald J Trump and effectively rendered a verdict on his presidency The Democartc Party sifted through a small army of worthies to defeat Trump and in former Vice President Joe Biden they found their champion Biden claimed the nomination following a phoenix like rise propelled by a miraculous South Carolina primary victory Backed by the party establishment and the mainstream media Biden s weak campaign proved sufficient by a handful of votes in a handful of states and leaving Biden with little mandate other than to avoid being like Trump The story of the 2020 election is in part a story of America and the Trump presidency a stormy marriage of highs and lows shaped by contrived investigations into Russian government interference a failed impeachment a welcomed intolerance for sexual harassment the exposure of deep racial divisions highlighted by widespread and often violent rioting accompanied by a re examination of the role of the police a strong economy until crushed by the coronavirus pandemic and then the pandemic tragedy itself The Trump presidency s four years astounded for better or for worse depending on point of view This book chronicles the 2020 election and thus the events that shaped the election over the course of four years written contemporaneously to capture the flavor of the moment praising and criticizing Trump and his many antagonists in equal measure Those enamored of the former president will find succor and outrage as will those who delighted in his defeat Those seeking to understand what happened will find the reading interesting infuriating and perhaps in places illuminating **Enlightened-Ish** Gail Dickert,2013-02-12 Enlightened ish is one of the most approachable down to Earth books for anyone seeking a self guided spiritual awakening Gails work is honest inspiring and undoubtedly a refreshing read in a market of deeply esoteric and trite testimonies about spiritual enlightenment and self empowerment Gails story begins with the unexpected death of her father She dedicates herself to writing Enlightened ish and the belief that this event will guide her to confront death and loss in a way that few have had the courage to do She comes forward with experiences from childhood and adulthood with an outrageous audacity and authenticity She confronts the death of her father the loss of a spiritual community and the effects of witnessing a violent suicide a health crisis and a break up all events which occurred in an 10 month period Her ability to use storytelling as a means of identifying the universal truths that she calls the Twelve Freedoms of Enlightened ish Living keeps the reader engaged in a polite spiritual voyeurism that has not been matched Without exception her tenacity about being fully human and fully enlightened ish will change the trajectory of spiritualists in every religion Never before has a memoir been written with so much conviction and

humility then packaged so powerfully that readers everywhere will be awakened to the power of storytelling Enlightened ish is raw conversational and unforgettable How I Lost By Hillary Clinton ,2017-07-06 Judging by the stance of the leadership of the Democratic Party and much of the media Hillary Clinton s devastating loss in the presidential election of November 2016 was all the fault of pernicious Russian leaks unwarranted FBI investigations and a skewed electoral college Rarely blamed was the party s decision to run a deeply unpopular candidate on an uninspiring platform At a time of widespread dissatisfaction with business as usual politics the Democrats chose to field a quintessential insider Her campaign dwelt little on policies focusing overwhelmingly on the personality of her opponent That this strategy was a failure is an understatement Losing an election to someone with as little competence or support from his own party as Donald Trump marked an extraordinary fiasco The refusal of the Democratic leadership to identify the real reasons for their defeat is not just a problem of history If Democrats persevere with a politics that prioritizes well off professionals rather than ordinary Americans they will leave the field open to right wing populism for many years to come Drawing on the WikiLeaks releases of Clinton s talks at Goldman Sachs and the e mails of her campaign chief John Podesta as well as key passages from her public speeches How I Lost By Hillary Clinton also includes extensive commentary by award winning journalist Joe Lauria and a foreword by Julian Assange editor in chief of WikiLeaks It provides in the words of the Democratic candidate and her close associates a riveting unsparing picture of the disastrous campaign that delivered America to President Trump and a stark warning of a mistake that must not be repeated **Classroom Connect Newsletter** ,1999
