Students should be encouraged to write something positive. (Again, the more the better.) Encouraging words from the parent group is also an option. The idea here is to build trust and confidence. Student participation will be encouraged if the option to skip is available. Students may also share their writing voluntarily during the closing circle discussion.

efficiency. The three models were not statistically different from each other. The program presented, modified, and compared various design options. The program enables the designer to make changes and see the effect of the changes immediately. The program also provides a means for the designer to make changes to the design and see the effect of the changes immediately.

The following table presents the information gathered in the telephone survey between 2004 and 2005, based on responses from the students. The table includes the following information: students' characteristics, the experiences, the preferred learning style, the learning style students' perception about their own and others' learning style, and the results of the learning style questionnaire.
