Esteem Owners Manual:

Personality Type: An Owner's Manual Lenore Thomson, 1998-10-27 Drawing from Jungian psychology and popular culture this detailed guide to personality types will help you develop a deeper more meaningful sense of your truest self For Jung knowing your type was essential to understanding yourself a way to measure personal growth and change But his ideas have been applied largely in the areas of career and marital counseling so type has come to seem predictive a way to determine your job skills and social abilities This book reclaims type as a way to talk about people s inner potential and the choices they make in order to honor it Using everyday examples from popular culture films Star Trek soap operas comic strips it describes the sixteen basic ways people come to terms with their gifts and values In this book you will find tools to understand How your personality takes shape How your type reflects not only your current priorities but your hidden potential How unlived possibilities are trying to get your attention How relationships at home and at work can help you to tap your unrealized gifts

Owner's Manual (Homo Sapiens) Frank Losik, 2015-09-08 Unfortunately we human beings do not come with a ready made Owners Manual to guide us through our individual life journeys So we are left with the task of finding or creating one of our own This book is the result of the authors own personal search for just such a set of guidelines He offers it to you the reader as a possible starting point for your own personal search Owners Manual Homo Sapiens is a step by step guide designed to help the serious traveler on the journey of life to identify his or her life goals to create a plan for achieving them and to begin putting those plans into effect It is written in plain every day language and is broken down into bite sized easy to digest chapters The book is divided into a number of segments It begins with The Basics which suggests an overall life goal of personal happiness and provides a review of the underlying principles of human development Next comes three segments that help the reader to begin to find the answers to three important questions Who am I which uses a brief quiz game to identify the readers personality type What do I want which uses a short fill in the blanks worksheet to clarify values and How can I get it which provides a detailed blueprint to aid personal development
