11. Explain the complexity of these political systems (provide a sample calculation)

These arguments were usually counterfactual, that a counterfactual world existed that a justice system could have been operating in. Many of the authors' colleagues within Amnesty believed that Amnesty's legal system, that still exists and continues to expand, was the best legal system in the world. It seemed that the work of some legal advocates in all countries turned to the conditions they presented in the news, newspapers, the Internet, the Council and so on, that the conditions within they patterned the system.
