Ethnography Diversity And Urban Space:

Ethnography, Diversity and Urban Space Mette Louise Berg, Ben Gidley, Nando Sigona, 2016-04-14 The chapters in this volume examine the racial and ethnic landscape of Britain in a contemporary era of neoliberalism and financial crisis A key aspect of neoliberal thought is the belief that we live in a post racial in which the problems of racism and xenophobia have been overcome However cultural retrenchment and coded xenophobia have been sweeping the political terrain accompanied by new racisms and new racial subjects that only close contextual analysis can unpick The scholarship contained in this collection challenges those who suggest that we live in a post racial time By focusing on particular locations in Britain at a particular moment the volume explores local stories of race and racism across changing sociopolitical ground This book is essential reading for scholars and students of race racism diaspora multiculturalism post colonialism transnationalism and post race This book was originally published as a special issue of Ethnic and Racial Studies **Spatial**

Diversity in the Global City Sakura Yamamura, 2024-11-10 This book at the nexus of migration and urban studies sheds new light on a long neglected group of transmigrants and the global city of Tokyo Using extensive empirical material on transnational migrants from above and below it locates and better specifies spatial diversification in Tokyo and beyond By incorporating transnational spaces into urban diversity discourses it extends the superdiversity debate to a socio spatial dimension and examines the configuration and processes of diversity and diversification in global cities from a socio spatial perspective Unique in its theoretical focus on the spatial aspect of superdiversity the book delivers rare empirical insights into the daily socio spatial practices of transnational financial professionals and other transmigrants This social geographical study reveals the complex interplay between global mobility and urban transformation It will be of particular interest to urban and migration scholars in fields such as urban sociology social geography and urban anthropology offering deep engagement with debates on urban diversity and transnational spaces **Studying Diversity, Migration and Urban**

Multiculture Mette Louise Berg, Magdalena Nowicka, 2019-07-02 Anti migrant populism is on the rise across Europe and diversity and multiculturalism are increasingly presented as threats to social cohesion Yet diversity is also a mundane social reality in urban neighbourhoods With this in mind Studying Diversity Migration and Urban Multiculture explores how we can live together with and in difference What is needed for conviviality to emerge and what role can research play This volume demonstrates how collaboration between scholars civil society and practitioners can help to answer these questions Drawing on a range of innovative and participatory methods each chapter examines conviviality in different cities across the UK The contributors ask how the research process itself can be made more convivial and show how power relations between researchers those researched and research users can be reconfigured in the process producing much needed new knowledge and understanding about urban diversity multiculturalism and conviviality Examples include embroidery workshops with diverse faith communities arts work with child language brokers in schools and life story and walking methods with refugees

Studying Diversity Migration and Urban Multiculture is interdisciplinary in scope and includes contributions from sociologists anthropologists and social psychologists as well as chapters by practitioners and activists It provides fresh perspectives on methodological debates in qualitative social research and will be of interest to scholars students practitioners activists and policymakers who work on migration urban diversity conviviality and conflict and integration and cohesion

Cities, Diversity and Ethnicity Martin Bulmer, John Solomos, 2017-10-02 This volume brings together a variety of studies on the question of cities ethnicity and diversity Contributions cover various facets of life in contemporary cities ranging from the role which street markets play in diverse neighbourhoods to everyday multiculturalism in a specific street the role of community and hometown associations among migrant communities expressions of ethnicity in urban neighbourhoods and the changing dynamics of integration and community cohesion This book will be of interest to those who are concerned with developing a better understanding of how urban communities are being transformed by the development of new patterns of migration and ethnic mobilisation With contributions from a wide range of scholarly and national backgrounds each chapter helps to provide an overview both of current trends and of historical patterns and processes Collectively they provide important insights into the shifting patterns of community and identity in increasingly diverse communities and neighbourhoods This book was originally published as a special issue of Ethnic and Racial Studies

Super-Diversity in Everyday Life Jan Willem Duyvendak, Nancy Foner, Philip Kasinitz, 2020-05-21 Presenting several in depth studies this book explores how super diversity operates in every day relations and interactions in a variety of urban settings in Western Europe and the United States The contributors raise a broad range of questions about the nature and effects of super diversity They ask if a quantitative increase in demographic diversity makes a qualitative difference in how diversity is experienced in urban neighborhoods and what are the consequences of demographic change when people from a wide range of countries and social backgrounds live together in urban neighborhoods The question at the core of the book is to what extent and in what contexts super diversity leads to either the normalization of diversity or to added hostility towards and amongst those in different ethnic racial and religious groups In cases where there is no particular ethno racial or religious majority are certain long established groups able to continue to exert economic and political power and is this continued economic and political dominance actually often facilitated by super diversity With contributions from a number of European countries as well as the USA this book will be of interest to researchers studying contemporary migration and ethnic diversity It will also spark discussion amongst those focusing on multiculturalism in urban environments This book was originally published as a special issue of Ethnic and Racial Studies

London's Urban Landscape Christopher Tilley, 2019-05-07 London s Urban Landscape is the first major study of a global city to adopt a materialist perspective and

stress the significance of place and the built environment to the urban landscape Edited by Christopher Tilley the volume is inspired by phenomenological thinking and presents fine grained ethnographies of the practices of everyday life in London In doing so it charts a unique perspective on the city that integrates ethnographies of daily life with an analysis of material culture The first part of the volume considers the residential sphere of urban life discussing in detailed case studies ordinary residential streets housing estates suburbia and London s mobile linear village of houseboats The second part analyses the public sphere including ethnographies of markets a park the social rhythms of a taxi rank and graffiti and street art London s Urban Landscape returns us to the everyday lives of people and the manner in which they understand their lives The deeply sensuous character of the embodied experience of the city is invoked in the thick descriptions of entangled relationships between people and places and the paths of movement between them What stories do door bells and house facades tell us about contemporary life in a Victorian terrace How do antiques acquire value and significance in a market How does living in a concrete megastructure relate to the lives of the people who dwell there These and a host of other questions are addressed in this fascinating book that will appeal widely to all readers interested in London or contemporary urban life

European Cities, Municipal Organizations and Diversity Maria Schiller, 2016-07-05 This book challenges the prevailing view that local authorities are irrelevant in immigration policy making Presenting an in depth ethnographic study of the recent implementation of local diversity policies in the Netherlands Belgium and United Kingdom it identifies a new politics of difference characterized by a paradigmatic pragmatism Building on extensive fieldwork in Amsterdam Antwerp and Leeds the author shows that rather than simply replacing an earlier politics of difference local diversity policies combine ideals of multiculturalism assimilation and diversity She links these findings to the ongoing modernization and diversification of municipal authorities and the impact of this transformation on the profile of the bureaucrats and their implementation of diversity policies This thought provoking work will appeal to students researchers and practitioners engaged in the fields of immigration diversity and multiculturalism div

Superdiversity, Policy and Governance in Europe Jenny Phillimore, Nando Sigona, Katherine Tonkiss, 2020-10-21 Immigration has transformed the social economic political and cultural landscapes of global cities such as London Melbourne Milan and Amsterdam The term superdiversity captures a new era of migration driven demographic diversifications and associated complexities Superdiversity is the future or in many cases the current reality of neighbourhoods cities countries and regions yet the implications of superdiversification for governance and policy have until now received very little attention First published as a special issue of Policy Politics this insightful volume brings together contributions from experts across Europe to explore the ways in which superdiversity has shaped the development of policy and to consider challenges for the future

Young Black Street Masculinities Brendan King, 2022-02-12 This book describes how young Black men on a disadvantaged housing estate in London navigate the estate s expectations for their behaviour as they operate within a street code that endorses violence knife carrying and challenging

masculinity This street code informs the men's masculine identities by promoting values of misogyny violence and the possession of expensive material objects while subduing any performance or features deemed as weak or feminine Chapters detail the daily pressure on young men to gain respect and perform the estate's street code while also providing examples of young men who have escaped or rejected its influence King also outlines how youth workers can support those trapped by the estate's street code by embodying personalised or caring masculinity features that seek to transform the dominant masculinity

Diversity and Contact Karen Schönwälder, Sören Petermann, Jörg Hüttermann, Steven Vertovec, Miles Hewstone, Dietlind Stolle, Katharina Schmid, Thomas Schmitt, 2016-11-21 This book analyzes how the socio demographic and cultural diversity of societies affect the social interactions and attitudes of individuals and groups within them Focusing on Germany where in some cities more than one third of the population are first or second generation immigrants it examines how this phenomenon impacts on the ways in which urban residents interact form friendships and come to trust or resent each other The authors a distinguished team of sociologists political scientists social psychologists anthropologists and geographers present the results of their wide ranging empirical research which combines a 3 wave panel survey qualitative fieldwork area explorations and analysis of official data In doing so they offer representative findings and deeper insights into how residents experience different neighbourhood contexts Their conclusions are a significant contribution to our understanding of the implications of immigration and diversity and of the conditions and consequences of intergroup interaction This ground breaking work will appeal to scholars across the Social Sciences

The Top Books of the Year Ethnography Diversity And Urban Space The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Ethnography Diversity And Urban Space : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
