DID I BECOME A PILOT FOR ONE OF THE WORLD S MOST INFAMOUS AIRLINES This book is the first of a three part trilogy based on my experience as a bush pilot flying for Susi Air in Indonesia For 4 years I ve flown Cessna Grand Caravans in one of the most challenging environments for aviation in the world This book features the good stories the bad stories and the down right unbelievable stories I must confess I ve spent a very long time deciding whether or not to publish this book Here s the thing I m now a Boeing 737 Captain for a major European airline and unsurprisingly I value my career very much So publishing a book about these bush flying adventures and occasional mishaps isn t necessarily going to impress my current employers or future employers for that matter You could perhaps describe publishing this book as career suicide This somewhat undesirable situation of losing one s career might just explain why I m the first Susi Air pilot to publish a book like this Yes the sensible thing to do would be to keep my mouth shut Just stay under the radar and avoid any adverse consequences to the career that I have worked so hard to get But how could I keep the greatest adventure of my life to

myself I needed to write this book This isn't just my story This is the story of every pilot who was f'cking nuts enough to come fly for Susi Air Needless to say the real identities of both myself and my colleagues at Susi Air will remain anonymous in this book I have no doubt that some Susi Air pilots both past and present will know exactly who I really am However to any of those pilots reading this book I do ask that you keep my real identity private much in the same way that I have kept your real identities private in this book All of the stories in this book are real Only the names have been changed *Airworthiness Directives: Small Aircraft, Rotorcraft, Gliders, Balloons, and Airships, Bk. 4, 2000* Though 2003: *Federal Aviation Regulations, Pt. 39* , *Departments of Transportation, and Housing and Urban Development, and Related Agencies Appropriations for 2009* United States.
