

DOCUMENT D

Andrew Jackson's Letter to Congress December 8, 1829

"The duties of all public officers are... so plain and simple that men of the intelligence may readily qualify ... I submit, therefore, to your consideration... [a] law which limits appointments to four years. In a country where offices are created solely for the benefit of the people, no one man has any more...right to [government jobs] than another."

DOCUMENT E

Robert V. Remini, *The Life of Andrew Jackson*, 1998

"One bit of advice [Secretary of State] Van Buren offered [Jackson] concerned the appointment of the collector of the Port of New York. This was a very resource and important position. Some \$15 million annually passed through the collector's hands. If any port needed a man of the highest integrity it was this one. And when Van Buren learned that Jackson intended to appoint Samuel Swamson to the office he almost collapsed. Van Buren alerted the President immediately [that Swamson had "criminal tendencies"]

"... Unfortunately, Jackson refused to listen. He liked Swamson because he had been an early supporter... and so when he went ahead with the appointment. In time, of course, Swamson absconded [stole] with \$1,232,705.00. It was a monumental theft... Jackson was mortified. When the scandal broke, Jackson's opponents doubled over with laughter... Here, they said, was the better man [best person] of whom [of jobs] "

DOCUMENT F

Andrew Jackson's National Bank Veto Message to Congress, July 10, 1832

"...The present Bank of the United States...enjoys an exclusive privilege of banking... almost a monopoly [complete control]...it appears that ... the stock is held ... by a few hundred of our own citizens, chiefly of the richest class...It is easy to conceive [see] that great evils to our country...might flow from such a concentration of power in the hands of a few men [responsible to the people. It is to be regretted that the rich and powerful too often bend the acts of government to their selfish purposes."

DOCUMENT G

Daniel Webster's Reply to Jackson's National Bank Veto Message, July 11, 1832

"[President Jackson's message] sows...the seeds of jealousy and ill-will against the government of which its author is the official head. It manifestly [obviously] seeks to inflame the poor against the rich, it wantonly [carelessly] attacks whole classes of the people, for the purposes of turning against them the prejudices and resentments [hate] of the other classes."
