Adventure in Red River - Report on the Exploration of the Headwaters of the Red River by Captain Randolph Marcy and Captain McClellan Grant Foreman, 2013-05-31 Any fan of exploration will find this diary of two soldiers exploring the western United States trying to map territory to place a reservation. Some of the language and attitudes in this book are hard to read from a modern perspective: native Americans treated as savages and moved and shunted around so the land could be exploited for material gain if anything. This makes this book an important book for anybody interested in how mindsets have changed.

Creek Country Robbie Ethridge, 2004-07-21 Reconstructing the human and natural environment of the Creek Indians in frontier Georgia, Mississippi, Alabama, and Tennessee. Robbie Ethridge illuminates a time of wrenching transition. Creek Country presents a compelling portrait of a culture in crisis of its resiliency in the face of profound change and of the forces that pushed it into decisive destructive conflict. Ethridge begins in 1796 with the arrival of U.S. Indian Agent Benjamin Hawkins, whose tenure among the Creeks coincided with a period of increased federal intervention in tribal affairs, growing tension between Indians and non-

Indians and pronounced strife within the tribe In a detailed description of Creek town life the author reveals how social structures were stretched to accommodate increased engagement with whites and blacks The Creek economy long linked to the outside world through the deerskin trade had begun to fail Ethridge details the Creeks efforts to diversify their economy especially through experimental farming and ranching and the ecological crisis that ensued Disputes within the tribe culminated in the Red Stick War a civil war among Creeks that quickly spilled over into conflict between Indians and white settlers and was ultimately used by U S authorities to justify their policy of Indian removal *Publishers' circular and booksellers' record* ,1888 What Do I Read Next? 1995 Barron,Steven A.
