Dear readers This is a very small book But the content presented in it is about the power possessed in Elijah and his future For people of all times Elijah exists still as future itself For those before the period of Kings as a person who could ascend in a whirl wind he was being an incident of the future This happened in the period of Kings Before the New Testament he had eased the path of Lord Christ he had come forth as a voice which was to guard the country of Israel from destruction and also an incident that would take place in future This had taken place during the beginning of the New Testament period Now for us before the Doomsday

he would again arrive along with Enoch to make way for Christ's second coming. This is what would take place in the future. In the sense there are the prophecies of future. Before the Doomsday he would arrive on to the earth and to see that the world wouldn't destroy; he would divert the hearts of the people towards God. Though he had done this after his death, the people would again convert into the slaves of the beast, which is the supreme form of Satan, and hang on to servitude of the Satan and are becoming responsible for the Doomsday. In this way, Elijah, who was naturally a human being in almost all the periods, both in the form of his spirit as well as in his physical form, in the form of the two witnesses, he had performed his deeds in the past, had been performing his deeds in the present, and continues to perform so even in the future. To learn about such a great prophet is a great experience in our lives. To keep this experience pleasant and sweet, mellifluous, we must lead a Holy life in God. Otherwise, only ashes would remain, and our spiritual life would experience bitterness in the burning furnace of the Hades. Whatever is the fact, however, one makes one's own thoughts and perceptions among the prominent prophets. Elijah is just Elijah. This book and also other books written by Sekhar Reddy Vasa are available for free from iTunes: <https://itunes.apple.com/us/author/sekhar-reddy-vasa/id1082214437>. Content: Just like the Lord Jesus Christ, Elijah had existed in the past, in the future, and in the present periods. Some people among Israelis, saying that the Lord Christ was calling out for Elijah while he was crucified in the cross, Israelis believed that Elijah possessed the power that could protect even Jesus Christ. The power of Elijah that he could possess the people and perform the deeds of God. Elijah and the Lord Christ in the hearts of Israelis. Inquiry about Israelis thinking Jesus Christ as John, Elijah, and a prophet like Jeremiah. Who was the one that had preached to the Israelis about Elijah? Who had preached about two witnesses, Elijah and Enoch, to the Christians? Lord Christ, who had interposed the attitude of Israelis towards Elijah. James and John asking Jesus Christ if he liked to perform the deeds performed by Elijah. In case of the Lord Christ, the rumours about Elijah. Elijah, as per nature, he is a human being like any one of us. Jacob, the apostle. The prophecy of Malachi about Elijah. If you have the heart to accept the coming, Elijah is he alone. Lord Christ. The order and assignment how John had acquired the Spirit and power of Elijah. Reason: preparation. Lord Christ talking to Elijah and Moses on a high mountain. Elijah before the Doomsday. Coming of Elijah and Enoch to the earth before coming of Lord Christ. The deeds performed by Elijah and Enoch before the Doomsday. Elijah killed by the beast along with his co-witnesses and would leave his body. The pathetic condition of the bodies of Elijah and Enoch after their deaths. After the death of Elijah, the Spirits of Life of Elijah and Enoch would return from God and enter into their bodies back. Coming of Elijah during New Testament period, its consequences, coming of Elijah by the Doomsday, its consequence. Many more.
