Journey To The Well:

Journey to the Well Vashti M. McKenzie, 2003-04-29 In the tradition of empowering spiritual writers such as Ilanya Vanzant Bishop Vashti McKenzie offers women a Christian path to personal transformation A groundbreaking preacher who in 2000 became the first woman to serve as bishop in the African Methodist Episcopal Church Bishop McKenzie is renowned for her eloquence and passion in the pulpit Now she brings her inspirational message to readers through the biblical story of the meeting at the well between Jesus and the Samaritan woman In twelve lessons McKenzie interweaves the Samaritan woman's experiences with contemporary personal stories Bible quotations life affirming sayings and meditational activities Through them she shows women that if they hold onto hope and listen for their moments of epiphany they can accomplish anything

Journey to the Well Vashti M. McKenzie, 2002 *A Magnificent Journey to Excellence* George K. Strodbeck III, Mohan V. Tatikonda PhD, 2019-12-06 This book presents a model of organization transformation success The model framework comprises a series of S Curves maturity curves of planning and execution activities phased over time The model is illustrated through description and analysis of an actual two decade highly successful global enterprise transformation Six Sigma program at a Fortune 200 company Cummins Inc Lessons learned from the model and company case study are completely transferrable to other organizational culture improvement and innovation transformation settings This insightful book Documents a firsthand account of a successful transformation The authors completely explain what was accomplished and the lessons learned from a 16 year deployment of Six Sigma at Cummins Acts as a benchmark for those organizations interested in pursuing primarily a continuous improvement transformation and more generally for other types of transformation efforts Includes substantive interviews with ten key leaders and others who made the transformation possible Helps organizations shorten the overall transformation timelines The documentation of a transformation provides you a model for how to think about organization transformation maturity over time and plan for it Recognizes the work of thousands of people involved in transforming a global company The interviews provide extraordinary perspectives not only by executives who initiated and sustained the transformation program but also by program participants who themselves grew as managers and leaders in their careers through the program Essentially this book helps early career managers and executives see the broader picture of enterprise transformation especially over time This helps them be better managers and executives and importantly helps them better plan for and hasten their upward career trajectories Lastly the book describes a view of possibilities It describes a clear sustained success the steps taken to get there and the measurement of progress The result provides you with confidence that successful transformation is possible and worth the effort
