Read the text and answer questions 1 and 2 :

Shamima's misery started the day she was married. Her husband was a greedy person and he used to abuse her verbally and physically. Within a few months into her marriage she had to leave her husband Kamal Uddin Joardar. Now Shamima vows to work with women, who are ill-fated like her. She has 43 female members in her organisation working for her. She herself trains the members and then provides them with work. She designs fabrics, makes block-print, brush-paint and hand-embroidered saris. She also makes three-piece dresses for women, and 'fatuas' for men. She sells these products in her shop and supplies them outside.

Sammima has a dream now, a dream to do something for the helpless people. She wants them to feel useful. They can live with self-respect and dignity. With this in view, she goes out looking for such people. Shamima finished her story with a smile. Shamima has no complaints, no regrets, no grudges. Her husband could destroy her outward beauty but not the beauty of her mind. All she wants to do is to bring a smile on the faces of those women who are unfortunate. Shamima wants to become a famous designer.

A further two chapters treat employment and labor matters relating to distribution and commercial representation indemnity upon termination and processing personal data in the employment context of Hungary. In the area of financial services, practitioners from five jurisdictions deal with fiduciary duty, the European Commission's proposed Directive on Alternative Investment Fund Managers, Swiss disclosure rules on significant shareholdings, restructuring and refinancing routes for mortgage secured debt in Spain, and insurance laws and regulations in Nigeria. Foreign investment is examined by two authors reporting on 2008 and 2009 developments in investment treaty disputes and foreign investment in Indonesia. Intellectual property issues are reviewed in chapters relating to the use of intellectual property as collateral in secured financing and intellectual property licensing in Canada. Drawing on over five hundred Nigerian cases, relevant statutes, and academic commentaries, this book examines jurisdiction in interstate and international disputes, choice of law, the enforcement of foreign judgments, and international arbitral awards, domestic remedies affecting foreign proceedings, and international judicial assistance in the service of legal processes and taking of evidence.
