## Los Angeles Local Channel Guide:

*TV Guide* Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of *TV Guide* and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium Television's Moment Christina von Hodenberg, 2015-07-01 Television was one of the forces shaping the cultural revolution of the 1960s and 1970s when a blockbuster TV series could reach up to a third of a country's population This book explores television's impact on social change by comparing three sitcoms and their audiences The shows in focus *Till Death Us Do Part* in Britain *All in the Family* in the United States and *One Heart and One Soul* in West Germany centered on a bigoted anti hero and his family Between 1966 and 1979 they saturated popular culture and managed to accelerate as well as deradicalize value changes and collective attitudes regarding gender roles sexuality religion and race **TV Guide ... Index**, 1979 **TV Guide**, 1996 **FCC Record** United States. Federal Communications Commission, 2002 **Joan Blondell** Matthew Kennedy, 2007 The first major biography of an actress with a long and lustrous career in film and television *Living Room Lectures* Nina C. Leibman, 2010-07-22 With a breadwinner dad a homemaker mom and squeaky clean kids the 1950s television family has achieved near mythological status as a model of what real families ought to be Yet feature films of the period often portrayed families in trouble with parents and children in conflict over appropriate values and behaviors Why were these representations of family apparently so far apart Nina Leibman analyzes many feature films and dozens of TV situation comedy episodes from 1954 to 1963 to find surprising commonalities in their representations of the family Redefining the comedy as a family melodrama she compares film and television depictions of familial power gender roles and economic attitudes Leibman's explorations reveal how themes of guilt deceit manipulation anxiety and disfunctionality that obviously characterize such movies as *Rebel without a Cause* *A Summer Place* and *Splendor in the Grass* also crop up in such TV shows as *The Adventures of Ozzie and Harriet* *Father Knows Best* *Leave It to Beaver* *The Donna Reed Show* and *My Three Sons* Drawing on interviews with many of the participants of these productions archival documents and trade journals Leibman sets her discussion within a larger institutional history of 1950s film and television Her discussions shed new light not only on the reasons for both media's near obsession with family life but also on changes in American society as it reconfigured itself in the postwar era Edmond O'Brien Derek Sculthorpe, 2018-10-18 One of the most versatile actors of his generation Edmond O'Brien made a series of iconic noir films From a man reporting his own murder in *D O A* 1949 to the conflicted title character in *The Bigamist* 1953 he portrayed the confusion of the postwar Everyman His memorable roles spanned genres from Shakespeare to westerns and comedies he also turned his hand to directing He won the Academy Award for Best Supporting Actor as the harassed press agent Oscar Muldoon in Joseph Mankiewicz's bitter Cinderella fable *The Barefoot Contessa* 1954 This first in depth study of

Kutulas,2017-03-16 In this book Judy Kutulas complicates the common view that the 1970s were a time of counterrevolution against the radical activities and attitudes of the previous decade Instead Kutulas argues that the experiences and attitudes that were radical in the 1960s were becoming part of mainstream culture in the 1970s as sexual freedom gender equality and more complex notions of identity work and family were normalized through popular culture television movies music political causes and the emergence of new communities Seemingly mundane things like watching The Mary Tyler Moore Show listening to Carole King songs donning Birkenstock sandals or reading Roots were actually critical in shaping Americans perceptions of themselves their families and their relation to authority Even as these cultural shifts eventually gave way to a backlash of political and economic conservatism Kutulas shows that what critics perceive as the narcissism of the 1970s was actually the next logical step in a longer process of assimilating 1960s values like individuality and diversity into everyday life Exploring such issues as feminism sexuality and race Kutulas demonstrates how popular culture helped many Americans make sense of key transformations in U S economics society politics and culture in the late twentieth century **The**
