Lotus Notes And Domino 6 Development Deborah Lynd:

Lotus Notes and Domino 6 Development Steve Kern, 2003 *Lotus Notes and Domino R6 Development Unleashed* provides expert insight and authoritative advice on all of the core features of Lotus Notes and Domino development. The authors go beyond what is typically found in the simple tutorial style of book and deliver a thorough treatment of each design element including coverage of the new features found in the R6 Designer. The additions to the Domino Designer in this release are extensive and powerful. R6 has been three years in the making and the results have paid off in a huge improvement in the development environment. Improvements and additions have been made in reusability, Agent design and management ease and flexibility of programming, development of the presentation layer connection to external databases and more. All of the development languages available for use in the Domino Designer are covered in the same thorough manner. **Lotus Notes and Domino 6 Development** Steve Kern, 2003 *Lotus Notes and Domino R6 Development Unleashed* provides expert insight and authoritative advice on all of the core features of Lotus Notes and Domino development.
