Love And Respect Small Group Discussion Guide:

Recreatable Kevin Scott, 2014-02-01 ReCreatable begins with the story of a glass baking dish the delectable aroma of tantalizing brownies and an unseen defect that turns the promise of something delicious into a minor disaster leaving glass fragments and brownies irretrievably intermingled Both the dish and brownies are irrevocably lost The implications for us are inescapable created by God to reflect his glory and for his pleasure we have been broken by sin to the point that we are completely useless to accomplish the purpose for which we were made But unlike the shattered brownie dish that gets discarded as worthless God takes the shards of our lives and does the miraculous He does not simply fit us back together He takes those splinters of our destruction and uses them to re create us complete restored redeemed and fitted to do and be all that he ever intended for us ReCreatable leads us progressively through the impact of the creative genius of God in our lives It points us to the reality of restored relationships the resurrection of our role as true reflectors of God s glory and the revolutionary life that can be ours when we learn to be true disciples re created to live well for God *Love Talk Workbook for Men* Les Parrott, Leslie Parrott, 2019-01-08 We set off to crack the code for meaningful conversation a plan that would move our communication from good to great And we found it A deep and simple plan for everything a loving conversation has to offer We call it Love Talk Drs Les and Leslie Parrot This men s workbook will help you personalize the concepts you encounter in the Parrotts book Love Talk and put them to work in your relationships Inside you ll find exercises assessments self tests tips applications all the tools and guidance you need to Identify your personal communication style Understand how it interacts with that of your partner Talk your way to a healthier stronger relationship Love Talk is like no other communication book you ve ever read The fruit of years of research by two foremost relationship experts who also happen to be husband and wife this book forges a new path to the heart of loving conversation You ll begin by identifying your security need and determining your personal communication style Then you ll put together everything you discover to learn how the two of you can speak each other s language like never before This very day you can begin an adventure in communication that will draw the two of you closer and closer and close consistently in a way that creates the depth and connection you long for in your relationship *Wonder Clearing, Discussion Guide* Taylor Penfield, 2020-10-09 The discussion guide for the novel Wonder Clearing comes at a critical moment for churches and nations Both churches and nations are suffering through not only a terrible pandemic threatening physical health but also a pandemic of division that threatens the heart of our churches and the soul of civic society Small groups using the discussion guide will focus on issues pertinent to contemporary America including racism sexual orientation and sexual exploitation of women and children These issues play out in our world in religion culture and politics Online or in person discussion groups will easily apply the questions Scriptures and discussions to their own situations Current social issues in both Catholic and Protestant churches echo many of the themes of the book Political issues including immigration civil rights and discrimination parallel the experiences of Rob and Alphonso in the

Steepleton of their youth But the appeal of discussing Wonder Clearing will be far more than pertinence of the issues and the reality of current prejudices Instead discussing the experience of the characters will offer participants an alternative way of living in a divisive religious and political world Families in Context Study Guide Gene H. Losing Church Michael J. Gehring, 2022-01-14 From Ft. Smith, Arkansas to Princeton, New Jersey to Kernersville, North Carolina, with a stop along the way in Asbury Park, New Jersey, to pay homage to The Boss, Michael Gehring takes us on his journeys as a pastor at a pivot point in history for the church and the world. Along the way, we meet up with a fascinating array of characters: Barbara Brown Taylor, Albert Einstein, Ernest Hemingway, Dietrich Bonhoeffer, and Jesus's forerunner, John the Baptist, to name just a few. But it's the questions Gehring raises that make this book not only entertaining but compelling reading for individuals and small groups. How might the decline of the church lead us into rediscovering the gospel? Did clergy and all of us, for that matter, make a good choice investing in institutional Christianity? How would you describe the emotional price of love? What does living a soulful life look like? With the humility and genuineness of someone who doesn't pretend to have it all figured out, Gehring is the perfect travel companion. Come along.

John Laurie Polich, 2013-07-18 Creative, engaging Bible study questions are hard to come by without rewriting questions for yourself. Each book of questions leads a small group through a book or combination of books in the Bible, helping students become more biblically literate and allowing them to come face to face with God's Word. Students will be pushed, encouraged, and challenged by these studies. But more than all this, they will be changed. Each passage of Scripture sets the topic, and the questions are constructed to help students think deeply, talk openly, and apply what they are learning to their lives. Leaders will be able to pick it up and use it immediately with kids. Volunteers are looking for a good book of the Bible studies they can pick up and use in their groups. Grab it, and go. These studies will meet your students where they are and help them see how God's Word can speak to their world.
