Tee, 2023-01-18 As Mt Tee mentioned in his first book titled

One Man s Love for One Woman all songs and poems were inspired by a recent breakup in his life These books which he titled *I Prayed for Love* and *My True Love* is a continuation of the said relationship between him and the woman he has loved the deepest in his life and who he still loves till this day He did everything he could do to make her happy and everything he could do to remain in her life A true story of one man s love for one woman that went astray Mt Tee still thinks of the woman as each day passes The memories of the love he feels for this woman keep him tied to the feelings he has This two books in one will show the mixed feelings a relationship can cause when you love someone more than anything you could ever imagine in life *EXPOSED* Authoress Terry E. Now-Time Naguib Elias Lozano Manzur, 2009 For the reader this book could be a journey into the author's mind his heart and sometimes even his soul full of defining moments a peek into the man he's becoming And for him this is a journey that began and remained in a dream for nearly 40 years Not quite awake not quite asleep but definitely and always present The journals that were the landscapes he painted with words of passion of love or fury but never indifference were also the buffers that allowed an intensely private young man full and safe expression A few of the poems he shares are simply whimsical Their substance may be felt like the fluffy feathers of a down pillow Something soft and cool to lay your head on and feel pleasantly OK For him though most of his poetry feels and looks like the rings of a once handsome but rugged tree Not cut down but only momentarily exposed so as to share not its own but nature's history and gifts of beauty The author begs the reader's indulgence in allowing him the outpouring of his bilingual spirit on some of these pages The inspiration that flows may look like a fluorescent yellow cactus flower in a sea of white Spring lilies but where the heart goes the pen just follows Like this book he has opened himself up and invites any who will dare to meander through his sometimes quirky imagination Now no more the guarded reserved dreamer but a wiser optimist and a realist at least every other Tuesday No teacher is he as the majestic brother Wolf but the mythical Coyote prankster whose many plans and schemes often cause him to flail and fall only to get back up and try again to sometimes succeed in the light of his efforts Dear reader this book is his way of giving thanks and giving back by sharing with complete abandon for all the pleasures and sorrows and even each breath we take for granted

Be Poet . . . Be! Raymond A. Hiraldo, 2014-09-26 There are times when we all feel so emotionally vulnerable that all we can do is look towards the sky for any possible answers in the forms of celestial signs Some of us shrug things off when nothing is shown to us but many of us continue crying out to the sky asking even more questions I admit at being among the many people who have done that very same thing As I was so busy looking everywhere for a sign I failed to look within my very being Once I surrendered all my emotions to everything that is me is when one answer came It not only came as a voice but it even appeared almost as like a constellation in the sky A sky I have looked up to with questions for so long The answer It was Instead of wasting time questioning yourself as to how why or what you are you should just use that time to be
