Document Number One

Frederick Douglass, 1862

The true history of this war will show that the loyal army found no friends in the South so skillful, active, and daring in their efforts to sustain the government as the Negroes-. Negroes have repeatedly threaded their way through the lines of the rebels exposing themselves to bullets to convey important information to the loyal army of the President.

Robert E. Lee, 1863

The chief source of information to the enemy is through our Negroes.

According to the documents above how did African Americans help the Army of the President?
