**House Documents** USA House of Representatives,1870 *Never Give Up* Lily Lascoña,2015-02-09 Although I was born into poverty Id worked hard my entire life As a child I worked long hard hours on the farm As a youth I left home in search of a better life for myself and my two sons landing work that I was ashamed of to this day After I came to America I continued working hard to provide for my families in the United States and Southeast Asia and to bring my sons to America where I thought they would have a better life My success in America stemmed in large part from my ability to care for people with severe developmental disabilities With this talent I built a company that eventually employed sixty five people and provided care for dozens of individuals Throughout it all I believed in family In fact I believed in the concept of family so strongly that looking back I see that it often skewed the reality of my situation In 2014 after illness and a series of challenges put my career as a health care provider on hold I found myself in extremely unfamiliar territoryI was forced to take a hard look at my life and reexamine my beliefs and values And what Ive come to realize in part is that my fortune that I discovered in America has also been the root of my problems *The Law Times Reports* ,1917
