Empathy Why It Matters And How To Get It:

Empathy Roman Krznaric, 2014 Originally published in Great Britain in 2014 by Rider an imprint of Ebury Publishing
Title page verso , **Why Empathy Matters** J. D. Trout, 2010-01-26 A road map to empathic and efficient decisions and policies constructed from new insights in the science of human judgment Faced with another s suffering human beings feel sympathy and may even be moved to charity However for all our good intentions and vaunted free will we are lousy at making the bigger decisions that actually improve lives Why Drawing on his sweeping and innovative research in the fields of psychology behavioral economics and neuroscience philosopher and cognitive scientist J D Trout explains how our empathic wiring actually undermines the best interests of individuals and society However it is possible to bridge this empathy gap and improve our decision making Here Trout offers a tantalizing proposal how to vault that gap and improve the lives of not just ourselves but the lives of everyone all around the world The Emotional Rollercoaster of Language Teaching Christina Gkonou, Jean-Marc Dewaele, Jim King, 2020-05-19 This book focuses on the emotional complexity of language teaching and how the diverse emotions that teachers experience while teaching are shaped and function The book is based on the premise that teaching is not just about the transmission of academic knowledge but also about inspiring students building rapport with them creating relationships based on empathy and trust being patient and most importantly controlling one s own emotions and being able to influence students emotions in a positive way The book covers a range of emotion related topics on both positive and negative emotions which are relevant to language teaching including emotional labour burnout emotion regulation resilience emotional intelligence and wellbeing among others These topics are studied within a wide range of contexts such as teacher education programmes tertiary education CLIL and action research settings and primary and secondary schools across different countries The book will appeal to any student researcher teacher or policymaker who is interested in research on the psychological aspects of foreign language teaching **Lawyering from the Inside Out** Nathalie Martin, 2018-06-07 Law is a varied powerful and highly rewarding profession Studies show however that lawyers have higher rates of alcoholism divorce and even suicide than the general population Stress creates these poor outcomes including the stress of dealing with other people s problems all day the stress of spending excessive amounts of time at work and the stress of being disconnected to what is most meaningful in life Through mindfulness and emotional intelligence training lawyers can improve focus get more work done in less time improve their interpersonal skills and seek and find work that will make their lives more meaningful This book is designed to help law students and lawyers of all experience levels find a sustainable and meaningful life in the field of law This book includes journaling and other interactive exercises that can help lawyers find peace focus meaning and happiness over a lifetime of practicing law Better Conversations Jim Knight, 2015-10-01 Check out The Better Conversations trailer <https://youtu.be/y3FrWtXC8Uw> I thought I knew how to have a conversation I ve had millions of them Some were good others not so much so But I want to have GREAT conversations and

Jim Knight has taught me how The proof is in better conversations are possible and the results are worth the investment

DOUGLAS FISHER Coauthor of Rigorous Reading and Unstoppable Learning Because conversation is the lifeblood of any school You don't want this book you need this book Why this confident claim Think about how many times you've walked away from school conversations sensing they could be more productive but at a loss for how to improve them Enter instructional coaching expert Jim Knight who in Better Conversations honors our capacity for improving our schools by improving our communication Asserting that our schools are only as good as the conversations within them Jim shows us how to adopt the habits essential to transforming the quality of our dialogues As coaches as administrators as teachers it's time to thrive Learn how to Coach ourselves and each other to become better communicators Listen with empathy Find common ground Build Trust Our students academic social and emotional growth depends upon our doing this hard work It's time to roll up our sleeves open our minds and dare to change for the better of the students we serve You can get started now with Better Conversations and the accompanying Reflection Guide to Better Conversations
