### How to Create a Custom and Effective Handbook for your Employees

The NFIB Small Business Legal Center is providing this *Guide to the Employee Handbook* in Microsoft Word format so that you can more easily adapt it to your workplace.

However, please remember that the *Guide* does not constitute legal advice, and that you should consider consulting an employment attorney about any additional employment laws and regulations that are applicable in your state, locality or particular type of business. In addition, please note that if you make changes to the language in the *Guide*, you may not be in compliance with federal employment law.

**South Western Reporter. Second Series**, 1929 A *Town Abandoned* Steven P. Dandaneau, 1996-04-11 Hometown to both General Motors and the United Auto Workers and the setting for the documentary film *Roger and Me* Flint Michigan is a striking example of a declining city in America's Rust Belt A *Town Abandoned* examines Flint's response to its own social and economic decline and at the same time pursues a broad analysis of class and culture in America's late capitalist society It tells the story of how Flint's local institutions and citizens interpret and rationalize their city's massive auto industry job loss and consequent decline and it relates these interpretations to statewide national and international forces that led to the deindustrialization Using a critical theory approach Dandaneau reveals the futility of Flint's efforts to confront essentially global problems and moreover depicts the disturbing conceptual and cultural distortions that result from its sustained powerlessness Dandaneau shows that all policy solutions to Flint's problems were in essence public relations solutions and he gives a moving portrayal of the consequences for local communities of the internationalization of American business
