

System Analysis & Design

AS ICT Past Paper Questions

Scenario 3

Question 4

Mr Mustapha is the head teacher of a large school. The school currently has a computer network but he wants to have a new system which will allow the school to keep student personal records and test marks. He also wants to have a system which will let the students have the opportunity to use computers to improve their learning. He has invited Joanne Reeves, a systems analyst, to design and create the new system.

After Joanne has designed the new system she will want to develop and test it. Describe the testing strategies she could use.

(a) Three from descriptions of:

Test each module

Using live data/normal data/data which is acceptable/valid

Using data outside the range/wrong type/either end of the range

Test whole system/use students to test CAL system

Joanne will need to produce technical documentation. Describe the two types of technical documentation she will produce.

(c) Systems documentation – one mark

Two from:

Results of systems analysis

What is expected of the system

Overall design decisions

Test plan and test data

Systems flowcharts

Program documentation – one mark

Two from:

Description of the software

Purpose of the software

Input/output data formats

File structures

Program flowcharts/algorithm

Program listing

Notes to assist future modifications

Scenario 2

Questions 3 and 4

The July 23rd Hospital in Cairo is improving its existing computer system to make it more efficient.

They currently have separate systems for storing:

- staff records

- payroll records.

One single database is required which will store all this data. A systems analyst is being employed to analyse the existing system and then design a new system.

Describe three different methods the systems analyst could use to collect information about the existing system and describe situations where each could be used.

Six from:

Interview employees/managers face to face

Description of situations where interviewing is used – when there is sufficient time/when it is

Fafia Past Papers

ML Yell

Fafia Past Papers:

Busting the Mob James B. Jacobs, 1996-10 An examination of the forces and events that led to the most successful organized crime control initiatives in American history Since Prohibition the Mafia has captivated the media and indeed the American imagination From Al Capone to John Gotti organized crime bosses have achieved notoriety as anti heroes in popular culture In practice organized crime grew strong and wealthy by supplying illicit goods and services and by obtaining control over labor unions and key industries Despite or perhaps because of its power and high profile Cosa Nostra faced little opposition from law enforcement Yet in the last 15 years the very foundations of the mob have been shaken its bosses imprisoned its profits diminished and its influence badly weakened In this vivid and dramatic book James B Jacobs Christopher Panarella and Jay Worthington document the government s relentless attack on organized crime The authors present an overview of the forces and events that led in the 1980s to the most successful organized crime control initiatives in American history Enlisting trial testimony secretly taped conversations court documents and depositions they document five landmark cases representing the most important organized crime prosecutions of the modern era Teamsters Local 560 The Pizza Connection The Commission the International Teamsters and the prosecution of John Gotti **Rough Waters** Christine J. Walley, 2010-01-01 Rough Waters explores one of the most crucial problems of the contemporary era struggles over access to and use of the environment It combines insights from anthropology history and environmental studies mounting an interdisciplinary challenge to contemporary accounts of globalization The book focuses on The Mafia Island Marine Park a national park in Tanzania that became the center of political conflict during its creation in the mid 1990s The park reflecting a new generation of internationally sponsored projects was designed to encourage environmental conservation as well as development Rather than excluding residents as had been common in East Africa s mainland wildlife parks Mafia Island was intended to represent a new type of national park that would encourage the participation of area residents and incorporate their ideas While the park had been described in the project s general management plan as for the people and by the people residents remained excluded from the most basic decisions made about the park The book details the day to day tensions and alliances that arose among Mafia residents Tanzanian government officials and representatives of international organizations as each group attempted to control and define the park Walley s analysis argues that a technocentric approach to conservation and development can work to the detriment of both poorer people and the environment It further suggests that the concept of the global may be inadequate for understanding this and other social dramas in the contemporary world **Cuban Studies 49** Alejandro de la Fuente, 2020-03-03 Cuban Studies is the preeminent journal for scholarly work on Cuba Each volume includes articles in English and Spanish and a large book review section In publication since 1970 and under Alejandro de la Fuente s editorial leadership since 2013 this interdisciplinary journal covers all aspects of Cuban history politics culture diaspora and more Issue 52 contains three dossiers two on urban

Habana and one on understandings of the Cuban Revolution in 1960s Latin America **Weaving the Past** Susan Kellogg, 2005-09-02 Weaving the Past offers a comprehensive and interdisciplinary history of Latin America's indigenous women. While the book concentrates on native women in Mesoamerica and the Andes, it covers indigenous people in other parts of South and Central America, including lowland peoples in and beyond Brazil and Afro-indigenous peoples such as the Garifuna of Central America. Drawing on primary and secondary sources, it argues that change, not continuity, has been the norm for indigenous peoples whose resilience in the face of complex and long-term patterns of cultural change is due in no small part to the roles, actions, and agency of women. The book provides broad coverage of gender roles in native Latin America over many centuries, drawing upon a range of evidence from archaeology, anthropology, religion, and politics. Primary and secondary sources include chronicles, codices, newspaper articles, and monographic work on specific regions. Arguing that Latin America's indigenous women were the critical force behind the more important events and processes of Latin America's history, Kellogg interweaves the region's history of family, sexual, and labor history with the origins of women's power in prehispanic, colonial, and modern South and Central America. Shying away from interpretations that treat women as housebound and passive, the book instead emphasizes women's long history of performing labor, being politically active, and contributing to even supporting family and community well-being **A Global Forum on Fighting Corruption**, 1999

Noir in the North Stacy Gillis, Gunnthorunn Gudmundsdottir, 2020-10-01 What is often termed Nordic Noir has dominated detective fiction, film, and television internationally for over two decades. But what are the parameters of this genre, both historically and geographically? What is noirish, and what is northern, about Nordic noir? The foreword and coda in this volume, by two internationally bestselling writers of crime fiction in the north, Yrsa Sigurðardóttir and Gunnar Staalesen, speak to the social contract undertaken by writers of noir, while the interview with the renowned crime writer Val McDermid adds nuance to our understanding of what it is to write noir in the North. Divided into four sections—Gender and Sexuality, Space and Place, Politics and Crime, and Genre and Genealogy—Noir in the North challenges the traditional critical histories of noir by investigating how it functions transnationally, beyond the geographical borders of Scandinavia. The essays in this book deepen our critical understanding of noir more generally by demonstrating, for example, Nordic noir's connection to *fin de siècle* literatures and to mid-century interior design, and by investigating the function of the state in crime fiction **Nest**, 1999

Forthcoming Books Rose Arny, 1990 *Manitoba Politics and Government* Paul Thomas, Curtis Brown, 2010-09-01 Manitoba has always been a province in the middle, geographically, economically, and culturally. Lacking Quebec's cultural distinctiveness, Ontario's traditional economic dominance, or Alberta's combustible mix of prairie populism and oil wealth, Manitoba appears to blend into the background of the Canadian family portrait. But Manitoba has a distinct political culture, one that has been overlooked in contemporary political studies. *Manitoba Politics and Government* brings together the work of political scientists, historians, sociologists, economists, public servants, and journalists to present a comprehensive analysis of

the province's political life and its careful mutual fund model approach to economic and social policy that mirrors the steady and cautious nature of its citizens. Moving beyond the Legislature, the authors address contemporary social issues like poverty, environmental stewardship, gender equality, health care, and the province's growing Aboriginal population to reveal the evolution of public policy in the province. They also examine the province's role at the intergovernmental and international level. *Manitoba Politics and Government* is a rich and fascinating account of a province that strives for the centre for the delicate middle ground where individualism and collectivism overlap and where a multitude of different cultures and traditions create a highly balanced society.

Critical Perspectives on Social Control and Social Regulation in Canada Mitch Daschuk, 2020-08-25T00:00:00Z How does social regulation shape who is deviant and who is normal? *Critical Perspectives on Social Control and Social Regulation in Canada* is an introduction to the sociology of what has traditionally been called deviance and conformity. This book shifts the focus from individuals labelled deviant to the political and economic processes that shape marginalization, power, and exclusion. Class, gender, race, and sexuality are the bases for understanding deviance, and it is within these relations of power that the labels deviant and normal are socially developed, and the behaviours of those less powerful become regulated. This textbook introduces readers to theories and critiques of traditional approaches to deviance and conformity. Using vivid and timely examples of contemporary social regulation and control, this textbook brings to life how forces of social control and marginalization interact with social media, sex work, immigration, anti-colonialism, digital surveillance, and social movements, and much more. Theories and critiques are clarified with summaries, definitions, rich illustrative examples, discussion questions, recommended resources, and test banks for instructors.

Riding the Tiger Ole Nydahl, 1992 In 1969 Ole and Hannah Nydahl became the first Western students of H. H. the Karmapa, the head of the Kagyu tradition of Yogis in Tibetan Buddhism. After their years of practice in the Himalayas, he authorized them to teach and start centers in his name. They have continued this work ever since. *Riding the Tiger* is the inside story of the development of Tibetan Buddhism in the West. In his refreshingly unsentimental style, Lama Ole shows all aspects of the work. With breathtaking intensity, he highlights both healthy and unhealthy tendencies in the light of the Buddha's ultimate aim. To bring about the fully developed beings whose every activity blesses the world.

Restructuring Relations Rauna Kuokkanen, 2019-03-01 Adopted in 2007, the UN Declaration on the Rights of Indigenous Peoples establishes self-determination, including free, prior, and informed consent, as a foundational right and principle. Self-determination, both individual and collective, is among the most important and pressing issues for Indigenous women worldwide. Yet Indigenous women's interests have been overlooked in the formulation of Indigenous self-government, and existing studies of Indigenous self-government largely ignore issues of gender. As such, the current literature on Indigenous governance conceals patriarchal structures and power that create barriers for women to resources and participation in Indigenous societies. Drawing on Indigenous and feminist political and legal theory, as well as extensive participant interviews in Canada, Greenland, and

Scandinavia this book argues that the current rights discourse and focus on Indigenous state relations is too limited in scope to convey the full meaning of self determination for Indigenous peoples The book conceptualizes self determination as a foundational value informed by the norm of integrity and suggests that Indigenous self determination cannot be achieved without restructuring all relations of domination nor can it be secured in the absence of gender justice As a foundational value self determination seeks to restructure all relations of domination not only hegemonic relations with the state Importantly it challenges the opposition between self determination and gender created and maintained by international law Indigenous political discourse and Indigenous institutions Restructuring relations of domination further entails examining the gender regimes present in existing Indigenous self government institutions interrogating the relationship between Indigenous self determination and gender violence and considering future visions of Indigenous self determination such as repatriation of Indigenous governance and an independent statehood

Cahiers de la Femme ,2000 *Women and Politics around the World* Joyce Gelb,Marian Lief Palley,2009-03-30 A unique two volume examination of the progress women have made in achieving political equality Women and Politics around the World addresses both transnational and gender related issues as well as specific conditions in more than 20 countries Women and Politics around the World A Comparative History and Survey is an exploration of the role of women in political systems worldwide as well as an examination of how government actions in various countries have an impact on the lives of the female population Women and Politics around the World divides its coverage into two volumes The first looks at such crucial issues facing women today as health policy civil rights and education comparing conditions around the world The second volume profiles 22 different countries representing a broad range of governments economies and cultures Each profile looks at the history and current state of women s political and economic participation in a particular country and includes an in depth look at a representative policy The result is a resource unlike any other one that gives students researchers and other interested readers a fresh new way of investigating a truly global issue

Fafia Past Papers Introduction

In the digital age, access to information has become easier than ever before. The ability to download Fafia Past Papers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Fafia Past Papers has opened up a world of possibilities. Downloading Fafia Past Papers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Fafia Past Papers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Fafia Past Papers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Fafia Past Papers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Fafia Past Papers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Fafia Past Papers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Fafia Past Papers Books

What is a Fafia Past Papers PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Fafia Past Papers PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Fafia Past Papers PDF?

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Fafia Past Papers PDF to another file format?

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Fafia Past Papers PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
