

ALL IS FAIR IN LOVE AND WAR

MEANING

This term refers to a situation where there are no rules or where people are not abiding by the usual rules that are set out. The phrase talks about the comparison of these types of situations to love and war, because in the situations of war and love, the rules are usually not fair or are not adhered to. It simply talks about a situation where the play is not fair but this issue is ignored and cheating is overlooked.

ORIGIN

This phrase was first used in 1579 in a text written by a man named John Lyly although it was worded slightly different yet had the same meaning. The exacting wording of **all is fair in love and war** can first be found in the novel 'Frank Fairleigh' which was written in the late 1800s.
