**Folktales Retold** Amie A. Doughty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with

**Tails from the Classroom** Dr Russell Grigg,Helen Lewis,2021-01-14 Written by Helen Lewis and Russell Grigg Tails from the Classroom Learning and teaching through animal assisted interventions AAIs is a fascinating exploration of the use of AAIs in educational settings and how they can inspire and support learners all round development There is growing interest in the idea of bringing animals into the classroom but it is only recently that researchers have gathered clear data to show the impact of AAIs on the behavioural emotional physical and cognitive development of children and young people Tails from the Classroom brings together this research in a highly accessible way illustrated with real life case studies from a range of classroom contexts It also includes lots of practical guidance on how to set up manage and evaluate a project ensuring that the welfare of all participants including the animals is a priority Helen and Russell discuss how AAIs can contribute towards learning in different subject areas and across the curriculum sharing a wide range of examples to illustrate possible starting points for teachers in a range of subject and thematic contexts even in less obvious areas such as the arts literature and religious and moral codes They also provide a historical overview of human animal interactions highlighting how animals have played a central part in humans social spiritual and cultural development This then underpins the authors exploration into animals potential role in enhancing particular dimensions of children s social emotional intellectual and physical development and well being This groundbreaking book is not just for animal loving educators however It is for anyone who is serious about inspiring learners of all ages and prepared to explore new ways of doing so Suitable for educators working with learners of all ages

**Side-Stepping Normativity in Selected Short Stories by Sylvia Townsend Warner** Rebecca K. Hahn,2020-07-27 Side Stepping Normativity Selected Short Stories by Sylvia Townsend Warner discusses Sylvia Townsend Warner s highly innovative narrative style which does not conform to conventional modernist or postmodernist standards and explores how Warner s short stories shift to off centre positions Side Stepping Normativity further outlines the way in which Warner constantly challenges the categories we apply to classify our surroundings and analyses how Warner succeeds in creating queer that is non heteronormative as well strange and peculiar stories without explicitly opposing the so called norms of her time In this Side Stepping Normativity joins a vibrant conversation in queer studies which revolves around the question how critics can approach literary texts from a non antagonistic position Rather than focussing on the role of the critic however this thesis shows that Warner s texts have long achieved what queer theorists seek to achieve on an analytical level

**Children Writing Stories** Armstrong, Michael,2006-03-01 Here is a worthy successor to Ted Hughes Poetry in the

Making the book that enabled me to gain the confidence to begin to find my own voice as a story teller Children Writing Stories confirms that we all have a story to tell if we are enabled to develop enough self belief So much of our natural creativity is smothered during our school years Teachers and children feel hemmed in by the strictures of a curriculum which simply does not allow room for creativity to breathe Unlock the chains let the light in and this is the kind of writing that will flow this is the kind of intellectual and emotional growing that can transform young lives Michael Morpurgo Children s Laureate 2003 2005 What a splendid book Michael Armstrong pays attention thirty years of it to the stories that children write We get two for one the children s own delightful and intriguing work I want to rush off and write some Wally age 5 stories of my own and Michael Armstrong s intense interpretations Allan Ahlberg This is real learning at its best teaching by example through painstaking scrutiny of the art of young writers Absorbing moving enlightening inspiring Morag Styles University of Cambridge In Children Writing Stories Michael Armstrong reveals the creative force of children s narrative imagination and shows how this develops through childhood He provides a new and powerful understanding of the significance of narrative for children s intellectual growth and for learning and teaching The book explores a series of real stories written by children between the ages of five and fifteen and traces the growth of literary consciousness from the dawn of written narrative in the kindergarten through the early years of schooling and on into adolescence Each chapter opens with a story or stories which the author then goes on to examine in detail so that the book may be seen as both a select anthology of children s stories and as a critical account of children s narrative practice This original and provocative book will appeal to teachers parents students of education and readers with an interest in literacy children s writing or narrative theory Innovation, Literacy, and Arts Integration in Multicultural Classrooms Christiane Wood, Laurie Stowell, Merryl Goldberg, 2023-12-11 This textbook offers a foundation for how literacy and arts integration interconnect to advance innovation accessibility and equitable classroom learning contexts for K 8 students Balancing research backed theory and classroom practice this book helps readers understand the multiple perspectives frameworks and models necessary in the design of learning environments for diverse learners including sociocultural theories of literacy new and digital literacies multiliteracies culturally responsive pedagogy critical pedagogy and art Written by an author team with decades of experience in teaching literacy writing and arts integration across a variety of learning environments each chapter includes a basis of conceptual framing and research backed by functional case studies and practical classroom practices as well as discussion questions Written as a text for foundational literacy arts integration and education courses Innovation Literacy and Arts Integration in Multicultural Classrooms offers an engaging practical resource for both pre service and in service elementary and middle grade teachers and teacher educators **Developing Natural Curiosity through Project-Based Learning** Dayna Laur, Jill Ackers, 2017-02-17 Developing Natural Curiosity through Project Based Learning is a practical guide that provides step by step instructions for PreK 3 teachers interested in embedding project based learning PBL into their daily classroom routine
