*The Miracle of Kayla* Daniel J. Williams,2018-06-29 Inspired to have a child an FBI Agent and his wife set out to realize their dream confident in God's plan Instead they would find themselves on a seven year odyssey of hope and despair Their journey would lead them down every possible road to conceive a child Instead each path led to one heartbreak after another including the loss of a child through miscarriage Eventually they would become the victims of a shocking adoption fraud Once again they would stare down at an empty crib realizing it would forever remain empty Desperation settled into hopelessness as they wondered if they would ever become parents Still they held tightly to their faith in God to deliver on a dream they believed he inspired However God had a plan to take them down a road they never anticipated His divine blueprint required them to step out in faith and obedience in their darkest hour Yet it was through this journey they would discover that God weaves the threads of our lives to include our moments of despair into the tapestry of his grand design A portion of the sales will be used to fund charitable organizations supporting adoption
