The Handbook of Linguistic Human Rights Tove Skutnabb-Kangas,Robert Phillipson,2022-11-14 A groundbreaking new work that sheds light on case studies of linguistic human rights around the world raising much needed awareness of the struggles of many peoples and communities The first book of its kind the Handbook of Linguistic Human Rights presents a diverse range of theoretically grounded studies of linguistic human rights exemplifying what linguistic justice is and how it might be achieved Through explorations of ways in which linguistic human rights are understood in both national and international contexts this innovative volume demonstrates how linguistic human rights are supported or violated on all continents with a particular focus on the marginalized languages of minorities and Indigenous peoples in industrialized countries and the Global South Organized into five parts this volume first presents approaches to linguistic human rights in international and national law political theory sociology economics history education and critical theory Subsequent sections address how international standards are promoted or impeded and cross cutting issues including translation and interpreting endangered languages and the internet the impact of global English language testing disaster situations historical amnesia

and more This essential reference work Explores approaches to linguistic human rights LHRs in all key scholarly disciplines Assesses the strengths and weaknesses of international law Covenants and Declarations that recognize the LHRs of Indigenous peoples minorities and other minoritized groups Presents evidence of how LHRs are being violated on all continents and evidence of successful struggles for achieving linguistic human rights and linguistic justice Stresses the importance of the mother tongues of Indigenous peoples and minorities being the main teaching learning languages for cultural identity success in education and social integration Includes a selection of short texts that present additional existential evidence of LHRs Edited by two renowned leaders in the field the Handbook of Linguistic Human Rights is an ideal resource for undergraduate and graduate students of language and law sociolinguistics applied linguistics language policy language education indigenous studies language rights human rights and globalization Education Statistics Annual Abstract ,2010 History through Narratives of Education in Africa ,2024-04-15 Who were the actors involved in colonial and post independence education in Africa This book on the history of education in Africa gives a special attention to narratives of marginalized voices With this original approach and cases from ten countries involving four colonial powers it constitutes a dynamic and rich contribution to the field The authors have searched for narratives of education from below through oral interviews autobiographies films and undiscovered archival sources Throughout the book educational settings are approached as social spaces where both contact and separation between colonisers and colonised are constructed through social interaction negotiations and struggles Contributors include Ant nia Barreto Lars Folke Berge Clara Carvalho Charlotte Courreye Pierre ric Fageol Fr d ric Garan Esther Ginestet Pedro Goulart Pierre Guidi Lydia Hadj Ahmed Kalpana Hiralal Mamaye Idriss Mihary Jaofeno Rehana Thembeke Odendaal Roland Rakotovao Maria da Luz Ramos Ellen Vea Rosnes Caterina Scalvedi Eva Van de Velde Pieter Verstraete *On Results of the Reform in Ethiopia's Language and Education Policies* Catherine Griefenow-Mewis,2009 This publication reflects the results of the Ethiopian education reform as well as the exceptional efforts that multiethnic Ethiopia undertakes in order to cope with the challenges arising from the population explosion More than 55 per cent of the 77 million Ethiopians are under the age of 18 years The great social and political changes started in Ethiopia at the beginning of the 1990s have resulted in the substitution of the educational system based on Amharic and English by one which uses a multilingual approach According to the Ministry of Education 22 out of the 84 languages spoken in Ethiopia are now used as media of instruction in primary schools The book presents the lectures delivered at the workshop On the Results of the Reform in Ethiopia s Language and Education Policy held at Addis Ababa University in April 2006 by Ethiopian education experts and a German research team Their contribution has facilitated a subsumption into the historical context and has given insight into the analyses of the use of 8 Ethiopian languages in primary schools in different regions of the country Modern Education in Africa Vol. 2 Woube Kassaye,2024-12-31 This book the second of two volumes focuses on the conceptualization of Indigenous Knowledge and Curriculum Ethiopian African

Philosophy and the possibilities of Indigenization Africanization of African Education Its main purpose is to overview African Education and its curriculum development with particular emphasis on Indigenization and Knowledge Production in Ethiopia and come up with curriculum model that fits for Africa Cultivating Dynamic Educators Sarah Pouezevara,2018-09-28

Cultivating Dynamic Educators Case Studies in Teacher Behavior Change in Africa and Asia responds to growing recognition by international education professionals policy makers and funding partners of the need for qualified teachers and interest in the subject of teacher professional development also referred to as teacher behavior change The book responds to important questions that are fundamental to improving teaching quality by influencing teaching practice These questions include How do we provide high quality training at scale How do we ensure that training transfers to change in practice What methods are most cost effective How do we know what works The book includes case studies describing different approaches to teacher behavior change and illustrates how specific implementation choices were made for each context Individual chapters document lessons learned as well as methodologies used for discerning lessons The key conclusion is that no single effort is enough on its own teacher behavior change requires a system wide view and concerted coordinated inputs from a range of stakeholders

Language Issues in Comparative Education II Carol Benson,Kimmo Kosonen,2021-01-25 This second volume of Language Issues in Comparative Education following the tradition of the first introduces the state of the field re establishes core terminology and concepts and situates the chapters in terms of their contributions to multilingual education based on non dominant languages The first group of chapters examines language in education policy change applying an innovative framework to analyze diverse contexts including Mozambique Estonia and the Philippines The next group of chapters describes activities designed to implement multilingual education Using examples from Chad Ethiopia Kenya and Nepal they explore progress in teacher professional development and elaboration of materials for literacy and learning through non dominant languages Some highlight new areas of the field attending to speakers of non dominant languages other than the ones chosen for instruction and to the urgent multilingual needs of refugee learners The final group of chapters presents strategies for research and advocacy illustrated with examples from DR Congo Uganda and India Taken together these contributions form a cohesive body of work that takes stock of advances in multilingual education and moves the field forward The authors and editors share a common commitment to comparativism in their methods and analysis and aim to contribute to a more inclusive and multilingual education for all See inside the book

Empowering Adolescent Girls in Developing Countries Caroline Harper,Nicola Jones,Anita Ghimire,Rachel Marcus,Grace Kyomuhendo Bantebya,2018-02-13 The Open Access version of this book available at <http://www.tandfebooks.com/doi/view/10.4324/9781315180250> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Adolescence is a pivotal time in a girl's life The development of educational physical psychosocial familial political and economic capabilities enable girls to reach their full potential and contribute to the wellbeing of their families and society

However progress is still significantly constrained by discriminatory gender norms and the related attitudes and practices which restrict girls horizons restrain their ambition and if unfettered allow exploitation and abuse Empowering Adolescent Girls in Developing Countries explores the detrimental impact of discriminatory gender norms on adolescent girls lives across very different contexts Grounded in four years of in depth research in Ethiopia Nepal Uganda and Viet Nam the book adopts a holistic approach recognising the inter related nature of capabilities and the importance of local context By exploring the theory of gendered norm change contextualising and examining socialisation processes the book identifies the patriarchal vested interests in power authority and moral privilege which combine in attempts to restrict and control girls lives Throughout the book Empowering Adolescent Girls in Developing Countries demonstrates how efforts to develop more egalitarian gender norms can enable disadvantaged adolescent girls to change the course of their lives and contribute to societal change Accessible and informative the book is perfect for policy makers think tanks NGOs activists academics and students of gender and development studies *Language Policy in Ethiopia* Mekonnen Alemu Gebre Yohannes,2021-02-18 This book examines the interplay and tensions between hegemonic and counter hegemonic language policy and processes in Tigray a regional state of Ethiopia in the period of pre and post 1991 Viewing language use and language policy as dynamic social and ideological processes the book presents Ethiopia as an example of language policy creation and implementation over time in a highly volatile political context The case of Ethiopia is unique in that different language policies and practices were put in place as the country s leaders changed through political takeovers Declared language policies were not always implemented and those implemented were often protested The book starts with an overview and review of language policy and planning followed by a chapter on the history of such planning in Ethiopia It then presents the methodology used for the study and examines the appropriation of hegemonic LPP patterns of resistance schools and public sites as centers of resistance and the emergence and development of specific patterns of language use in different regions of the country The book ends with recommendations for future research and draws the overall conclusion that since LPP is a dynamic and multilayered contextual process official or de facto language policy is often undermined by overt or covert unofficial language policies ideologies mechanisms and agents that result in different patterns of language use **Early Childhood Language Education and Literacy Practices in Ethiopia** Kassahun Weldemariam,Margareth Sandvik,Moges Yigezu,2023-10-30 This edited volume explores how indigenous knowledges and practices can be instrumental in improving literacy outcomes and teacher development practices in Ethiopia aiding children s long term reading and learning outcomes The chapters present research from a collaborative project between Ethiopia and Norway and demonstrate how students can be supported to think pragmatically learn critically and be in possession of the citizenship skills necessary to thrive in a multilingual world The authors celebrate multilingualism and bring indigenous traditions such as oracy storytelling folktales to the fore revealing their positive impact on educational attainment Addressing issues of language diversity and systematic ignorance of

indigenous literacy practices the book plays a necessary role in introducing Ethiopia's cultural heritage to the West and hence bridges the cultural gaps between the global north and global south Arguably contributing one of the first publications on early literacy in Ethiopian languages this book will appeal to scholars researchers and postgraduate students studying the fields of early years literacy and language indigenous knowledge and applied linguistics more broadly The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Minority Language in Today's Global Society Trace Foundation, 2012 The present volume examines a wide range of issues concerning the status of minority languages around the world with a special focus on the Tibetan language and its dialects The legal issues surrounding minority language use and policy as well as strategies for language revitalization are also addressed Back cover
