Finding Your Native American Ancestors Guy Nixon, 2011-07-11 The environmental disaster of the Dust Bowl which turned days to nights in the far of cities of New York and Washington D C for Oklahoma tore families apart sending survivors to all corners of the country For many people now trying to find their lost relatives and ancestors from Oklahoma the task is often more difficult than they expected This is a compilation of my research of the Native American part of my families roots Not only do I present my findings in their historical context but also where and how I looked to find them I detailed the members of my family from the early 1700s to the present A history you dont see in the school books that has fascinated me from little on For those trying to find more about their Native American roots or those simply interested in American History from the Native American point of view this book is invaluable

Slavery in the West Guy Nixon, 2011 The history of the West from the Natives perspective and the world wide forces affecting them are rarely found in our history books For the tribes in the West the history before the 1840 s is poorly understood and when taken out of context seems to make no sense to the casual reader In particular the history of the Natives in Northern California seems to be completely overlooked These people had a turbulent history prior to the Gold Rush of 1849 and while run over in the flood of immigration their history continued This fascinating part of our Nation s history and the context in which it occurred is the heart of this work

A River Divided : the Story & Biography of Chief Coppahembo, 1812-1898 Jill (Redcorn) Kearney, Guy (Redcorn) Nixon, 2012 Coppahembo was a fascinating historical figure Born of a Maidu father and Washoe mother he would rise to become the primary Huuk Chief for nearly 50 years over the Hill Nisenan band of the Southern Maidu with authority over the Maidu and Washoe people living on the Divide between the forks of the Natoman American River As a young man he had been attacked by a grizzly bear which he managed to kill permanently disfigured by the mauling he was given the name Coppahembo Grizzly Bear Killer He would lead his people in battles against slave raiders but managed to keep his people out of both the First and Second Indian Wars of El Dorado County continuing to live in peace with the horde of invading miners Coppahembo s leadership included arranging for his people to be vaccinated against small pox in 1852 His reputation for wisdom and impartiality found him serving as both a judge and keeper of the peace for both Indians and non Indians A staunch proponent of education he arranged to help the local school system during conflicts arising from the American Civil War He would guide his people into full integration into the American society thus saving them from being rounded up and herded onto reservations His is not a story of tragedy but instead one of triumph for a true American Hero

The Wild History of Hell Hole and the Rubicon Country 1848 to 1948 Guy Nixon (Redcorn), 2012 Includes a survey of the historic Mule Train trails of the region with analysis of each section s history and its potential recreational opportunities for equestrians sportsmen and prospectors
