

1. A separate earthed socket is required for the power supply. After installation of the washing machine the power plug must be accessible during normal operation.

2. Pull the plug and not the electric cable when unplugging the washing machine.

3. Fuses in the power circuit should be rated for 15A. Contact a washing machine technician or a Haier designated service point for power cable replacement.

4. For your safety, dry your hands before touching the washing machine and wear appropriate footwear.

5. Do not use flammable detergents or dry cleaning agents; do not use flammable sprays near the washing machine; do not remove or insert the plug in the presence of flammable gas.

6. The door of the washing machine becomes hot during the water heating process. Avoid contact with the door during the heating process. For safety, keep children away from the washing machine.

7. Do not allow children to play with the packing materials after unpacking.
