you're sure to see it all with Moon Oregon *A Rogue's Life* Wilkie Collins, 2024-01-01 The book *A Rogue's Life* is a heart warming mystery and detective fiction Frank Softly the protagonist of the story narrates the account of his unique and daring life The son of a well respected merchant Frank decides to adopt a more roguish lifestyle after becoming disillusioned with society as a whole As Frank moves through the social strata his story leads readers through a number of interactions adventures and mishaps He interacts with a wide range of people including actors nobles and criminals A recurrent subject in the book is disguise and deception as Frank takes on many personas to get around the social mores The somewhat sarcastic narrative style of *A Rogue's Life* offers a commentary on social traditions and the difficulties faced by those who attempt to defy them Frank's account of his events is filled with wit humour and societal criticism Half-hours with the Best American Authors ,1911 **The Silver Head ; The Double Deceit** Laughton Osborn, 1867 **An old rogue's tragedy, by 'Rita'**. pseud RITA, 1899 **God & Human Beings** Voltaire, 2010-10-29 In this little known work by Voltaire 1694-1778 now available in English for the first time the famous French philosophe and satirist presents a wide ranging and acerbic survey of religion throughout the world Written toward the end of his life in 1769 the work was penned in the same decade as some of his more famous works the *Philosophical Dictionary* *Questions on Miracles* and *Lord Bolingbroke's Important Examination* all of which questioned the basic tenets of Christianity Voltaire called himself a deist and thus he professed belief in a supreme deity But he was always sharply critical of institutional Christianity especially its superstitions the hypocrisy of its clergy and its abuse of political power Both his deism and his critical attitude toward Christianity are manifest in *God and Human Beings* which is in effect one of the first works of comparative religion Comparing Christianity to the more ancient belief systems of the Jews Hindus Chinese Greeks Romans Egyptians Babylonians Phoenicians and Arabs he notes a common tendency to worship one supreme god despite the host of subordinate deities in many of these religions He also critiques the many superstitions and slavish rituals in religion generally but he emphasizes that in this respect Christianity is no better than other faiths Thus the clergy's claim that Christianity is God's supreme revelation to humanity has no basis from an objective perspective This first English translation of a classic critique of religion includes an introduction by writer scholar and editor S T Joshi who wrote the article on Voltaire in *The New Encyclopedia of Unbelief* edited by Tom Flynn Anticipating many of the themes of the later Higher Criticism and rationalist critiques of religion this incisive witty treatise by the great French skeptic will be a welcome addition to the libraries of anyone with an interest in the philosophy of religion intellectual history or the Enlightenment **All's Well, Or, The Mirror Repolished** ,1921 **List of Beacons, Buoys, Stakes, and Other Day-marks in the First Light-House District, Embracing the Seacosts, Bays, Harbors, and Rivers, from the Northeast Boundary of the United States to Hampton Harbor, New Hampshire** ,1889
