The Canon Camera Hackers Manual addresses geeky owners of Canon consumer cameras such as the Powershot and IXUS who would like to explore the possibilities of their cameras and tweak them to do things that go well beyond the camera's original specifications Tutor at Your Side for the Canon EOS Digital Rebel John D. Miller,2005 The Tutor at Your Side is a complete camera manual uniquely addressing the user's needs at each stage of their development The Orientation section describes the physical control and menu features with illustrated locations and concise descriptions of function settings and operation plus page references to detail discussions The Startup section gives setup and care and the Quick and Detailed sections give minimal and complete types of operation respectively The Effective Use and Refresher sections are unique to the Tutor manuals giving limitations work arounds and a concise review for use after time has passed respectively Many of the sections are given separately for the Basic Point and Shoot and Creative shooting modes The manual is constructed for field use with laminated covers and a coil binding **The Fujifilm X-E2** Rico Pfisteringer,2014-08-25 The Fujifilm X E2 Beyond the Manual provides experience based information and insights for owners of the Fujifilm X E2 mirrorless system camera Fuji X Pert series author Rico Pfisteringer teaches little known capabilities of the X E2 that he's discovered through several months of in depth research This book focuses on insights that you won't find in the manual skipping tedious explanations of basic camera functions and operations Instead it cuts to the chase and provides readers with a plethora of tips and practical instructions that will enable them to fully explore the capabilities of the X E2 The X E2 combines classic design with state of the art digital camera technology originally seen in the X Pro1 and X E1 system cameras These features have been further improved to achieve the X E2 Fujifilm's most capable camera to date with an ever growing set of already more than ten interchangeable X Mount lenses The Fujifilm X E2 Beyond the Manual presents numerous tips and tricks that will maximize your ability to use the Fujifilm X E2 to its full potential *Tutor at Your Side for the Canon EOS Digital Rebel XTi* John D. Miller,2007 The Tutor at Your Side manual addresses the user's needs at each stage of their development The Startup section gives Camera Setup and Care The next sections provide continuous guidance through 3 learning phases 1 The Orientation section describes the control and menu features with illustrated locations and concise descriptions of function settings operation and references to detail descriptions 2 The Operation section gives the user a choice of 4 complete and independent starting points There are 2 Basic subsections Quick and Detailed for Point and Shoot operation and Creative subsections Quick and Detailed for the Complete Control mode of operation Each Detailed subsection includes the corresponding Quick subsection to eliminate looking back Each subsection is sequenced in Photo Session order Displays Session Prep Field Setup Photo Features Shooting Mode Composition Focus Drive Exposure and Shutter Evaluation

Correction and Session Finish Each subsection includes reset reminders at the individual features and at the Session Finish Custom Function setups are given just before the first possible use and usage reminders are given thereafter Creative Detailed section only The Effective Use section continues the user guidance beyond the mechanics and the Reference section covers Problems Playback and Printing The manual has laminated covers for durability and a coil binding so it will stay open
