Humiliation At The Office Ann Michelle,2012-12-28 For too long corporate hotshot Andrew Boden treated the women of the office like sex objects Now his secretary is out to settle the score as she slowly feminizes him and traps him in an inescapable web of femininity and humiliation Little by little Andrew loses his power his freedom and his masculinity and everyone at the office is noticing For Mature Audiences Only **The Authority of the Saints** Pauline Dimech,2017-05-18

Pauline Dimech explores whether and to what extent we may attribute authority to the saints but also how we may ensure that it is the saints and not the scoundrels whose influence persists and whose memory endures The thing that drives her research is the thought that history is full of examples of individuals who held positions of official authority that they did not deserve Dimech is convinced that Hans Urs von Balthasar can help us clarify the issues surrounding the authority of the saints Besides establishing Balthasar s involvement with the enterprise this book tries to establish the theological foundations upon which the authority of the saints would have to be based in theory and possibly already however implicitly based in practice **A System of Christian Doctrine, Volume 3** Isaak A.
