## **Influences On Clothing Decisions:**

Recent Trends in Decision Science and Management Tao-Sheng Wang, Andrew W. H. Ip, Madjid Tavana, Vipul Jain, 2020-05-07 This book discusses an emerging field of decision science that focuses on business processes and systems used to extract knowledge from large volumes of data to provide significant insights for crucial decisions in critical situations. It presents studies employing computing techniques like machine learning which explore decision making for cross platforms that contain heterogeneous data associated with complex assets, leadership and team coordination. It also reveals the advantages of using decision sciences with management oriented problems. The book includes a selection of the best papers presented at the 2nd International Conference on Decision Science and Management ICDSM 2019 held at Hunan International Economics University, China, on 20-21 September 2019.

**What Our Clothes Tell the World** Pasquale De Marco, 2025-04-19 Step into the fascinating world of fashion and explore the profound impact clothing has on our lives in *What Our Clothes Tell the World*. This captivating book delves into the intricate relationship between clothing and human behavior, revealing the stories embedded in every stitch and seam. Through meticulous research and engaging anecdotes, the book unveils the hidden narratives woven into the fabric of our attire. It examines how clothing serves as a mirror to our cultural values, reflecting our beliefs, aspirations, and fears. From traditional costumes to modern fashion trends, clothing becomes a tangible expression of our collective identity, connecting us to our past, present, and future. The book explores the intricate interplay between clothing and social status, revealing how clothing choices can reinforce or challenge existing hierarchies. It delves into the symbolism of uniforms and the exclusivity of haute couture brands, highlighting the powerful role clothing plays in shaping and maintaining social order. At the same time, it acknowledges the potential of fashion to be a catalyst for change as individuals use clothing to express their individuality and challenge societal norms. *What Our Clothes Tell the World* also delves into the profound connection between clothing and gender. It examines how clothing has long been used to construct and reinforce gender roles, with specific garments and styles associated with masculinity and femininity. However, it also recognizes the evolving boundaries of gender expression and the role clothing plays in this ongoing transformation. With each chapter, the book offers new insights into the intricate relationship between fashion and humanity, revealing the profound impact clothing has on our daily lives. It invites readers on an enlightening journey through the history, psychology, and cultural significance of clothing, making it an essential read for anyone interested in the intersection of fashion, culture, and society.
