

Mock Writing Topic #1 – Introduction, Topic Sentences, and Conclusion Strategy – For Congress Spending Taxpayer Money

Writing Directions:

In an essay that will be read by members of Congress, take a position on whether or not Congress should spend taxpayers' money to help create summer jobs for teens.

Bridge
Statement

The sign on the window reading "No Positions" glowed brightly as the teenage applicant walked by in frustration. She had been rejected again without even being able to hand her well-crafted and detailed resume to the manager. While she had the hard work ethic and commitment to help the restaurant move forward as a server or hostess, she was rejected by a lack of available jobs before she could even have an opportunity to show what she could do.

The issue of the summer jobs proposal in Congress has become a very critical discussion in Clayton County recently.

There are some people who believe that students should learn how to find their own jobs without governmental intervention. However, students who discover that there are insufficient jobs for the number of available candidates recognize that Congress should enact its summer jobs proposal to help students have sufficient opportunities to enter the workforce and maximize their free time.

Anecdote

Counterargument

Thesis
Statement

Topic Sentence #1: The summer jobs proposal will help students find opportunities for employment that do not exist currently.

Topic Sentence #2: The crime rate will decrease because students will be working and earning money instead of remaining unsupervised and causing havoc in their neighborhoods.

Topic Sentence #3: Students will learn critical skills in their new jobs that will help them become more prepared for the workplace.

Concluding Paragraph Strategy (Prediction) – If you vote YES to this summer jobs proposal over 5,000 jobs will be created for students, and they will gain valuable job experience that will prepare them to enter the workforce successfully.
