K582
(23 hp)

operating & maintenance instructions

Congratulations – You have selected a fine four-cycle, twin cylinder, air-cooled engine. Kohler designs long life strength and on-the-job durability into each engine...making a Kohler engine dependable...dependability you can count on. Here are some reasons why:

- Parts subject to the most wear and tear (like cylinders, crankshafts, and camshafts) are made from precision formulated cast iron. Because the cast iron cylinders can be rebored, these engines can last even longer.
- Kohler engines are easy to service. All routine service parts – points, condensers, air cleaner, spark plug, and carburetor are easily and quickly accessible.
- Every Kohler engine is backed by a worldwide network of over 10,000 distributors and dealers. Service support is just a phone call away. Call 1-800-544-2444 (U.S. & Canada) for Sales & Service assistance.

To keep your engine in top operating condition, follow the maintenance procedures in this manual.
