The Gifted & Talented Catalogue Susan Amerikaner, Sarina Simon, 1988. Lists hundreds of games, toys, books, records, and software for children from infancy to age 12.

What Board Games Mean To Me Donna Gregory, Ian Livingstone, John Kovalic, Reiner Knizia, 2023-11-21. Celebrating the role that board games hold in our lives, celebrities, industry professionals, and lifelong gamers share the remarkable and personal stories of their profound love for gaming. People want to feel good about their passions; their hobbies included. People want to talk about them and to listen to others who share their enthusiasm. This book celebrates that sense of affinity while providing diverse perspectives on board games that will allow readers to reflect on what drives their passion in their own particular case. From uber-competitive players learning to lose with grace to the fascinating history of the very first games humans played and bonding with far-away stepsiblings to the story of the first board game café in Africa, there's something here for everyone.

Meeting the Challenge Patti Ralabate, 2002. This book is intended to serve as a freestanding reference for teachers whose classes include students with academic or behavioral difficulties. The recommended best practices were originally developed for students with disabilities but have been found to be effective with all students. Each chapter provides principles, suggestions, and specific tools such as sample check lists, rubrics, forms, word lists, observation guides, planning guides, and lesson plans. Chapters address the following critical areas: 1. evaluating struggling students using classroom-based assessment; 2. observing behavior and positively addressing behavioral challenges; 3. using a collaborative team process; 4. developing educationally relevant student expectations; 5. providing accommodations and modifications; and 6. communicating effectively with parents. A glossary is provided, as is an appendix with blank forms for all of the resources discussed in the text. Twenty-four non-print resources, including CD-ROMs, videos, and Web sites, are listed. Contains 42 references.
